

Appleton North Youth Baseball Club

Appleton North Youth Baseball Club, Inc. (ANYBC) is a youth baseball organization serving ages 13 through 16 who want to play competitive baseball during the summer and will attend Appleton North High School.

The club was formed to offer quality baseball instruction and competition in preparation for Appleton North High School Baseball.

ANYBC is seeking financial support from the Appleton business community.

Sponsorships or donations of \$500 are being sought to offset the cost of operating the club at the high level of quality we have come to expect from Appleton North youth sports. We strive to keep player fees at a reasonable level to encourage participation.

Sponsors will receive recognition on team banners displayed during games, on tee shirts and on our website. With your support we will form teams at 13U - 16U levels and participate in the Fox Valley Youth Baseball League. Each team will also participate in various Wisconsin tournaments during the summer.

ANYBC is a Wisconsin non-profit corporation with 501c3 Federal tax exempt status.
