Betty Buck turned 76 years young on February 19, 2020

Betty Buck, Margie Skulech and Wanda Grife (a “few” years ago)

In its second season, the WHL began presenting a refund cheque at the end of the year to the oldest player in the league. Technically, this award could have been presented to Betty Buck every year but in the usual spirit of the WHL, the award is never presented to the same person twice. So, each year the “next oldest” person receives the honour and joins a selective group of ladies who will tell you that playing hockey keeps them young!
