

Dezzy Award

Fun League Captains established this award in 2017 after the sudden passing of Colin 'Dezzy' Desmoulin, much-loved son of fellow Fun Leaguer, Sandra Desmoulin. Dezzy's friends and hockey teammates say Dezzy was always making sure they were having fun and laughing. Sandy shared some amazing memories of her “trickster” son and his antics, inspiring an award named in his honour: “Funnest Fun

Known throughout the league for her positive attitude and infectious laughter, she has so many connections with other players. There is often feedback about how much they love playing against her. She loves to crack jokes and build team culture through her humour. We feel she embodies the essence of the award perfectly.

Kara Allemang

We nominate Kara Allemang for the Dezy Award: the loudest voice on any bench, celebrating every great hockey play — teammates and opponents alike — and bringing HUGE spirit to our league. She's a genuine person with the funniest t-shirts, wears the biggest smile and, without question, the funnest fun-leaguer out there.

Deanna Jones

We'd like to nominate Deanna Jones for the Dezy Award. We've been lucky to have her on our team for the past two years, and she's an absolutely fantastic teammate. Deanna brings positivity, encouragement, and enthusiasm to every game. No matter what's happening on the ice, she finds the bright side and keeps the mood light. She always shows up ready to give 100% and isn't afraid to put herself in tough situations to help the team. She also has a signature move - sliding into the dressing room at the last minute, yet somehow still ending up fully dressed and ready before the rest of us, which always gives everyone a laugh. Deanna's energy, humour, and team-first attitude truly represent the spirit of the Funnest Fun Leaguer.

Kiersten Mio

We would like to nominate Kiersten Mio for the Dezy award because she embodies everything this award represents: joy, laughter, and the ability to make everyone around them feel like hockey is exactly where they're meant to be. Like Dezy, Keirsten has an incredible knack for keeping things light and fun, no matter the score or the situation. They're the person cracking jokes on the bench, hyping teammates, friending all the pick ups, and reminding us all that Fun League is, first and foremost, about enjoying the game together. Kier's positivity is contagious, and their presence alone can turn an ordinary game into a great night. What really sets her apart is how naturally she brings people together. New players feel instantly welcome, teammates feel appreciated, and everyone leaves the rink smiling a little more because she was there. She plays hard, laughs harder, and never misses an opportunity to make hockey fun. Her endless enthusiasm, her humor, and the joy she brings to the league, Kier truly deserves to be recognized as this year's Funnest Fun Leaguer and receive the Dezy award.

Steph Andrews

Steph Andrews always brings a fun and positive attitude to the dressing room & game, and her quick wit and lighthearted banter keeps us all laughing. She always keeps it positive and always goes above and beyond to help her team gel. You can tell who's had the privilege of playing on her team by the helmet numbers decals she distributes which match the jerseys colour of that team! Steph has a bright demeanor no matter the game outcome but we are always winning with her on our team. **- TWIN**
