

Dezzy Award

Fun League Captains established this award in 2017 after the sudden passing of Colin 'Dezzy' Desmoulin, much-loved son of fellow Fun Leaguer, Sandra Desmoulin. Dezzy's friends and hockey teammates say Dezzy was always making sure they were having fun and laughing. Sandy shared some amazing memories of her “trickster” son and his antics, inspiring an award named in his honour: “Funniest Fun Leaguer.”

Colin Desmoulin

This award goes to the Fun Leaguer who exemplifies the true spirit of the Fun League – Fun, Friendly, Kind Sportsmanship – Just as Dezzy lived his life.

2023 - 2024 NOMINEES

Roni Corbett

We would like to nominate Roni Corbett for the Dezzy award! She is definitely a Dezzy! An amazing all around person ever. She's new to the league but she is getting better every game, we nicknamed her "Nascar" because instead of stopping she always makes wide turns to one side only. She is so sweet and gentle and comes to hockey for her first year with the biggest smile on her face! She just had a new baby and actually brings frozen breast milk to the games for another new momma on our team. (That has confused a few mens league guys who've asked what's in her cooler! Haha). She is hilarious and witty, strange and funny, young and hopeful, wild and crazy!! We are super proud to have her be a part of ABC and with her wild hair dyes and antics hope she is given this year's Dezzy award for fun and happiness.

- Algoma Bicycle Co.

Melissa Luck

We'd like to nominate Melissa Luck. She always has a smile on her face, is quick to crack a joke and has the best sarcastic wit that comes across as caring. She is always laughing on the ice as she battles opponents for the puck. Ask around the league, Melissa is definitely a fave!

- Bioped

Kirsty Atkinson

Eazy would like to nominate Kirsty Atkinson for the Dezzy award. Kirsty exemplifies the true spirit of a fun leaguer. She is always laughing, smiling, and joking with the most positive attitude. She is a pleasure to play with and against!

- Easy Express

Karen Bradley

We proudly nominate Karen Bradley for the Dezzy Award. With an infectious smile that never fades, Karen has not only demonstrated unwavering dedication by never missing a game but has also maintained an uplifting and positive energy, despite the challenges faced by our team in the standings. Her resilience and commitment to team spirit make her an outstanding candidate for this prestigious recognition.

- Eye Deal Optical

Lucy Nardi

Icebreakers nominates Lucy Nardi for the Dezzy Award. Lucy is new to the WHL and to the position of goalie. She has successfully learned how to welcome each game with ease and fun. She can often be heard laughing while on the ice and always brings a light hearted approach to each and every game which is then felt by the rest of the team.

- Icebreakers

Tracy Bazzo

Tracy is a positive influence on the team on and off the ice. Whether it's pumping the

team up before the game with her music or praising all of the players after the game regardless of the outcome, she always remains positive. **- Maitland**

Lexi Degregorio

Lexi is regularly making jokes and funny comments both on and off the ice to make everyone smile. Lexi ensures we have music at every game to ensure everyone is pumped up to play. Lexi is truly a team player and the funnest fun leaguer we know!

- Northern Natural Health

Madison Zuppa

Madison is always trying to uplift every player on her team. Her positive attitude and reassurance go a long way. She is known to celebrate all achievements when it comes to all her teammates and even those opposing her in a game. She politely and tactfully gives criticism when it is appropriate and always follows that up with the positive attributes of the player and the moment. Her kindness should be exemplified. She is absolutely friendly with everyone in the league let alone her own teammates. Madison always wears a smile and her energy rubs off on everyone! Madison makes the best of all situations, including the frustrating ones and she always goes out of her way to compliment the opposing team, whether in a win or loss type of situation. Every team would be lucky to have a Madison.

- Ontario Concrete

Kiersten Mio

For Rapid City, we nominate Kiersten Mio for the Dezzy Award. Kiersten showed up to every game with a huge smile and positive attitude. She would walk into the changeroom with a big smile, ready to work on her skating and hockey skills but always ready to laugh with others as they developed together. Kiersten always cheers on her teammates and celebrates their successes, and one of these days we may give in to her enthusiasm to do a TikTok with her.

- Rapid City Repair

Jamie Panetta

Every time Jamie is on the ice she is smiling and having fun. She is a wonderful person on and off the ice.
