Kipling Ace Hardware

Rental & Cindy's Gifts

We are your local Ace Hardware store. Rick and Cindy Rudy opened Kipling Ace Hardware in 1991. Their goal has always been to create a small town atmosphere where we can keep in touch with our customers. We are mainly a general store, complete with a Rental Shop located downstairs stocked with aerators, carpet cleaners and much more. Plus we specialize in small engine repair, blade sharpening, and propane refills. Up-stairs, we have everything else you're looking for and if it's not stocked on our shelf, one of our friendly employees can special order anything you need. So come on down and take a look around. Not looking for anything in particular, then enjoy some free coffee and popcorn while you browse around our wonderful gift department. Thank You to all our customers who keep us going.

Letter from Head Coach Nikki Kneuer

Welcome to the 2017 Dakota Ridge Volleyball Season, it is going to be an exciting year of volleyball. As I enter my ninth year as the Head Varsity Volleyball Coach, I am looking forward to another great year of volleyball. This year we have eight seniors leading the program to greatness. We have 5 returning starters, Morgan Green as our Libero, Tessa Quinter as our right side, Emily Nielsen as our setter, Nikolina Jugovic as our right side, and Libby Koch as a DS, three other seniors joining them this season will be setter Hannah Jordan, Outside Hitter Taylor Hicken, and DS Avery Ballow. Joining this amazing senior class are Lauren Tobey and Melissa Johns as our strong Junior middles and Brianna Binder Sophomore outside.

The incoming freshman class keeps on improving every year, with majority of the incoming freshman participating in our summer volleyball camps and our gold crown program, they enter the season ready to play Eagle Volleyball and understand that it means to wear Navy and Cardinal. Level 4, have 12 great freshmen under the direction of Nicki Binder who has entered her 8th year as the Level 4 coach, we are looking forward to an exciting season. Level 3, coached by Terry Mulienburg who is entering his 6th year as the Level 3 coach, also has a great freshman group of girls, with a solid core of Sophomores that will help led them into a strong season. JV, coached by Sam Sena who is entering his 7th year as a DRHS coach, has a core of strong returners that are ready to work with a great incoming group to push them to the next level. To Live, To Learn, To Love, and to Leave a Legacy is DRHS motto, the players have taken the extra mile to make sure that motto is fulfilled.

First, I would like to thank my Husband Brian Kneuer for supporting me in my passion to coach, I would also like to thank my coaching staff, Sam Sena, Terry Mulienburg, Nicki Binder and Keisha Sesay, for all the late nights and endless planning. Secondly, I would like to thank the parents for trusting us with their children, and their continued support over the years to make this a great experience for all the girls involved. Lastly, I would like to thank Jackie Green for her outstanding team pictures, the school administration, game workers and staff members that have put in hours of which I am not even aware of – WE APPRECIATE ALL THAT YOU DO!!! GO EAGLES.

Friendships born on the field of athletic strife are the real gold of competition. Awards become corroded, friends gather no dust.

- Jesse Owens

It is wonderful to arrive at the beginning of the fall sports season at Dakota Ridge High School. With the benefits of rigorous off-season work behind them and traditions set by previous teams beside them, hopes are high that this will be a special season. There are life experiences which expand the lessons learned in classrooms associated with the successes, challenges, and moments of joy experienced every day on fields, courts, stages, and gyms. It is through the collaborative efforts of coaches, directors, parents, and student athletes as well as students participating in school activity programs that students build the frameworks for their future lives as contributing citizens in our community. They begin to appreciate the level of dedication, commitment and hard work it takes to find success at the end of the day. While the focus will always remain upon increasing student academic achievement at Dakota Ridge High School, there is no denying the contribution student participation in athletics and activities plays in promoting a strong sense of pride and community which studies after studies have shown to positively impact student achievement.

I personally am excited to have the opportunity to applaud and recognize all of our DRHS coaches, directors, players, and activity participants for their endless hours of work and commitment towards excellence. On behalf of the entire DRHS community, I want to wish you all the best of luck.
Go Eagles!

Jim Jelinek
Principal

Thank you for being a part of Dakota Ridge High School and for your support of our Volleyball team. We are very excited about the upcoming year and the endless possibilities that lay ahead for the team. Dakota Ridge is extremely fortunate to have one of the best Coaching staffs throughout the state of Colorado and they have already put in numerous hours to help our student/athletes have successful and positive high school experiences. I truly believe that athletics play a major role in the development of young adults. Our programs, coaches and student athletes at Dakota clearly represent what high school sports are about—hard work, respect, dedication, and teamwork—while still focusing on extraordinary academic achievement in the classrooms. Some of the student/athletes fondest memories from high school and learning opportunities will take place through athletics.

I want to not only thank the coaches and athletes for their hard work and commitment, but also thank the booster club and parents for your devotion to the team. To be successful our coaches and athletes need the continued positive support of our entire student body, staff, parents, and Dakota Ridge community. As you go to the games and competitions this year, your attendance, enthusiasm and positive demonstration of sportsmanship will be key ingredients that will fuel the success of our athletes.
