FOREWORD

The National Americanism Commission of The American Legion sponsors numerous programs for America's Youth. Americanism is defined as an unflinching love of Country, loyalty to its institutions and ideals, eagerness to defend it against all enemies, individual allegiance to the Flag, and a desire to secure the blessings of liberty to ourselves and our posterity.

Our forefathers laid the foundation for a civilization that is the envy of the world. It has brought us greater spiritual and material wealth than any people has ever known. This is our heritage. The many activities of the National Americanism Commission are designed to acknowledge and preserve that heritage, recognizing all of the inalienable rights of man. Baseball is one of the Programs of the National Americanism Commission which is designed to benefit our nation's youth.

American Legion Baseball (ALB) began in 1925 and held its first national tournament the following year. Today, more than 4,800 teams and about 95,000 youngsters participate in all states and Puerto Rico. ALB consists of two divisions – seniors (19 years of age and younger) and juniors (17 years of age and younger).

ALB strives to teach practical lessons of good sportsmanship and citizenship. Loyalty, respect for rules and decisions rendered, fair play, courage and physical fitness are emphasized in this activity.

The Legion's national organization conducts tournaments in its senior division. The winners of eight regional tournaments advance to a national championship tournament. The team crowned national champion is honored by Major League Baseball with a trip to the MLB World Series.

Many current and former MLB players developed their skills on American Legion diamonds. They included Hall of Famers like Bob Feller, Ted Williams, Don Drysdale, Joe Morgan, Yogi Berra and Reggie Jackson. Current stars like Chipper Jones, Albert Pujols and Darin Erstad played American Legion Baseball.

American Legion Baseball depends upon its Posts, individual Legionnaires and other Legion family organizations to promote the activity. Enthusiastic leadership, coaches and players are available in almost every community where an American Legion Post is located.

Players may only receive one Transfer during their eligibility.
 3. Declaration Form #M77, (available for the Senior Division only), after having been fully executed by all necessary parties, shall become final and binding upon the player, the player's parents and the team for the remainder of the player's American Legion Baseball eligibility upon approval of the team Roster by the Department Chairman unless the player is granted a Transfer by the team.

 5. All players are required to wear double flapped, ear protective batting helmets while on deck, batting and/or running the bases.
 - a. All bat boys (girls) must at all times wear double flapped, ear protective batting helmets while on the playing field or in the dugout.
 - b. All batting helmets must have the NOCSAE seal of approval stamped on the helmet, and such seal must be visible on the outside of the helmet.

6. In addition to normal catcher's equipment, catchers are required to wear a safety helmet, throat protector and protective cup. Any catcher's mask that does not have an extended metal throat protector at least 2 inches in length is required to have an attachable throat protector. Umpires and Department officials shall halt any game until this rule is complied with.
 - a. All players and coaches are required to wear a catcher's mask while warming up pitchers if they are in the catcher's customary position, regardless of whether they are on the field or in the bullpen. Players or coaches refusing to wear a mask while warming up a pitcher after being so warned, shall be ejected from the game.

7. During the regular season through the District Playoffs, no player may pitch more than a total of 12 innings during any consecutive three day period nor make more than four appearances as a pitcher in any consecutive three day period. Beginning with the Department Championship Tournament through the World Series, National Pitching Rule 1.R shall apply. CONCLUSION

The rules and regulations for American Legion Baseball have developed over the years, based upon the experience, both good and bad, given to the Department Baseball Athletic Committee by managers, coaches, parents and other Legionnaires. The Department Athletic Committee meets throughout the year to discuss and make recommendations for the good of the program. Changes affecting the national program are forwarded to the National Baseball and Recreation Subcommittee, who in turn, make final recommendations to the National Americanism Commission who either adopt or reject these recommendations. Department Chairmen and members of the National Americanism Commission vote on policy, procedures and rules. It is those suggestions passed on from parents, coaches and team managers which have allowed the American Legion Baseball program to become the most prestigious amateur baseball program in America.

For eighty eight seasons, The American Legion has sponsored this baseball program. American Legion Baseball is the largest, nationwide, teenage baseball program in America. Literally, millions of young players have played the game. This program has developed over the past seven decades thanks to the dedication of hundreds of thousands of volunteer American Legion members. To the Coaches, Managers, Sponsors and the thousands of Legion Volunteers who help make the program exist, we extend our most sincere appreciation.
