SPRING TIME IN Centerville

2019-2020 Spring Athletic Program

We would like to welcome all of you to the Centerville City School District where athletics serves as yet another tool to prepare our students to excel in life when their high school experience ends. We pride ourselves in partnering with our athletes to help them always compete with a sense of humility, embrace and respond to adversity in an appropriate manner and continuously strive to reach excellence. The spring of 2020 has proven to be an incredibly difficult situation for all of us as we have all been doing our part to battle this medical emergency that the entire world is fighting. We are extremely grateful to our 2020 seniors that did not get to play their senior season and ask that the underclassmen remember these seniors and carry their legacy forward as we eventually move on this unfortunate situation. We are also very appreciative of the tremendous support we always receive from the Centerville Community and I want to personally thank all of you for your continued and unwavering support. We are proud members of the Greater Western Ohio Conference and this past school year won the GWOC Eastern Division All-Sports trophy for the 17th consecutive year. The conference will see some changes at the conclusion of this year but the Elks remain committed to the GWOC and will continue to be a proud member moving forward. You can follow Centerville Athletics on twitter @chselksad. We are very proud of the excellent athletic programs we have here in Centerville, but we are most proud of how our coaches and student-athletes represent our school and our community, especially during these very difficult times. Please consider becoming a member of the Athletic Booster Family by visiting elkboosters.com Go Elks! EPND!

CENTERVILLE HIGH SCHOOL ALMA MATER

There's an Alma Mater close to us
Where our hearts may ever rest
And our loyalty will always be
With dear old C.H.S.
For her halls are filled with memories
Of the cherished joys we knew
And to you our dearest Centerville
We always will be true.

Greetings from the GWOC Commissioner

Greetings!! On behalf of the Greater Western Ohio conference I would like to welcome you to today's event. The participants today have been working hard and preparing for the season. Needless to say they are thrilled to have you in attendance.

This is a year of change for the GWOC as we transition to two divisions for the 2019-2020 school year. The divisions will be named American and National. While we are excited for the current setup of the GWOC this will be the final year that the GWOC offers a division format. The conference will be moving to an eight team membership setup beginning fall of 2020. This transition will allow the GWOC to meet the needs of membership and solidify the conference for the foreseeable future.

The Greater Western Ohio Conference (GWOC) has built a distinguished and proud history of academic and athletic excellence over the years. It offers students the best opportunities to compete in an elite academic and athletic conference. It also provides a forum for fans of the GWOC to support the best high schools, and competition, in the state.

We recognize that competition can be fierce but we must strive to promote and encourage sportsmanship to the fullest degree in all of our athletic events. Proper conduct and respect for all are actions to be demonstrated before, during, and after all sporting events and activities. We ask for your support with this initiative by being a role model and positively supporting the event's participants. Sportsmanship is everyone's responsibility - please do your part.

The student-athletes, coaches and administrators of the GWOC thank you for your ongoing support. you play a vital role in the continued growth and success of the conference. Please visit the conference website at www.gwocsports.com for all conference related information and follow us on Twitter at @GWOC. I hope you enjoy your visit and today's contest.

Sincerely,

Eric Spahr
Commissioner, GWOC

Centerville Athletic Boosters

Dear Elk Families,

More than half of the high school and middle school student population in Centerville City Schools participate in one or more of the sports programs offered by the district; a strong indication our community values and supports the continuation of a strong sports program within Centerville City Schools. The benefits to students from participating in the sports programs range from being a part of a team, being physically fit, improving skills in a game, becoming a leader in an athletic program, and possibly earning a college scholarship as a result of the higher level of training and competition that our district enjoys.

The Centerville Schools Athletic Booster Club is a charitable organization whose mission and purpose is to support the Centerville athletic programs. With the ever-changing funding landscape for school districts all over the country, it is now more important than ever for booster groups such as ours to generate funds to continue providing these opportunities for our students. For over 30 years, the Athletic Booster Club has enhanced the District's athletic programs by providing supplemental funding and making substantial contributions to the capital improvements in all our sport facilities. We have contributed to the improvements in the weight room, the tennis courts, gymnasiums, the soccer/lacrosse field, the baseball field, and the football field. The Centerville community must continue to help sustain these popular athletic programs.

Please join the Centerville Schools Athletic Booster Club if you have not already done so. It is easy to join and there are a number of levels in which to participate. Visit the Booster Website at www.elkboosters.com for membership information. Any support you can provide is greatly appreciated!

CENTERVILLE BOYS BASEBALL

Elks Baseball Family,

Thank you for the support of Centerville Schools and the Elks Baseball Program. Our guys have worked hard this off-season to put themselves in position to "Play Best Game Last." Our schedule will be one of the most challenging in the state of Ohio and arguably the Midwest. We once again will face off with some of the top teams in Ohio (Moeller, St X, Mason, Elder) while also competing in two PBR events (PBR Classic and PBR Showcase). We also look forward to competing for the GWOC National Title with the likes of Beavercreek, Fairmont, Springfield, and Wayne. We look forward to playing at a high level on a day to day basis against such terrific programs. After graduating 8 seniors, we have numerous areas to address going into the 2020 season. However, we are fortunate to return 10 letter winners and a strong senior group that is prepared to take steps towards leading our program on and off the field for 2020. Seniors Alex Beyerle, Chris King, Luke Miller, Will Rahe, Joe Requarth, and Ben Wesney are the leaders of the program. They will be joined by returning letter winners Tad Ferrell, Matt Graveline, Kyle Mahon, and Ethan Muckerheide. We also have a strong group of sophomores and freshmen that will compete to help the Varsity squad. Holding ourselves to a high standard on and off the field while also upholding our cultural values of Family, Attitude, Skill, and Team will help determine where this season will take us. We look forward to having you as a part of the journey.

HEAD COACH

Jason Whited

Jason Whited was selected to take over the Centerville Elks program in June 2014. Whited was chosen to take over for Miami Valley Baseball Coaches Association Hall of Famer Terry Dickten who he had served under as an outfield and pitching coach for the four years. During his tenure as an assistant for the Elks they were able to achieve a record of 78-27 and win 3 GWOC Championships, 2 Sectional Titles, obtain 3 20 win seasons, and help 14 players go to play at the next level. Prior to joining the Elks program Jason served as the head coach for Waynesville High School and achieved a two year record total of 22-27. Since being chosen to take over the Elks Program Coach Whited has had 17 players go to play in the college ranks, 7 1st Team All Area Players, 6 All GWOC Players, and 4 All State Players. Coach Whited also currently serves as the Miami Valley Baseball Coaches Association Hall of Fame Coordinator and owns and operates Just Winning Baseball, LLC. Jason teaches Social Studies at Centerville High School and is married to wife Amy and is the proud father to daughter MacKenzie and son Jax.

BOYS & GIRLS TRACK

HEAD COACH

Matt Somerlot

Girls Track 2020

The girls track team picked up right where they left off last winter and return to the state indoor meet with 6 individual qualifiers. Maddie Welsh (Pole Vault), Ellie Spiewak (Pole vault & Triple Jump), Kerri Walsh (3,200 meters), Mia Robillard (1,600 meters) and Meghan Hodges (weight throw) will all represent the Elks at Spire Academy at the state meet. The girls had 8 additions to the top 5 board, 1 school record this indoor season. This will be a huge help as we head into outdoors!

The outdoor season will kick off this year as we will travel back to Hardin Valley Academy in Knoxville, TN to open the season. Our spring break trip will take us to the Hardin Valley Invitational, one of the best meets in Tennessee and a great early season start point for our young team. The 45th Elk Relays has the strongest team line up ever and the team will travel to Columbus twice in the regular season plus the Wayne and Mason Invitational, long time staples in our schedule. We believe that these meets will build off of what we have done indoors and will create opportunities for our student athletes to contend for the 2020 state championship in June at OSU Jesse Owens Stadium.

Boys Track 2020

The boys track team qualified the 4 x 400 relay team (Weller, Anderson, Callahan, Stevens) and the 4 x 200 relay team (Fullenkamp, Lynn, Sims & Callahan) to the state Indoor championships this winter. Cameron Stevens (200/400), Kristopher Artis (weight throw), Matthew Stuber (weight throw), and Nathan Lynn (Triple Jump) all qualified individually as well. The boys competed all over Ohio and Kentucky and placed 11 new top 5 performances and built a great deal of depth and experience as we head into outdoors. In all we had more individuals compete indoors this year than we have the past five years, a great sign if things to come in the future!

CENTERVILLE BOYS VOLLEYBALL

Reflections and Goals

The Elks look to bounce back from the 2019 season and compete in the Ohio High School Boys Volleyball State Tournament in Columbus!

The 2019 Boys Volleyball Team completed the program's Fifteenth season. One elk was named to West Region honors-Senior Clay Devilbiss to First Team.

This season promises to be another exciting one for the Elks as the team is ready to continue the strong tradition of success. The 2020 team returns ten varsity players from last year's squad. This year's players include Seniors Chris Sucato, Nick Abuyuan, Joe Ely, Matt Jaeger, Milan Shah; Juniors Ethan Stuart, Colin Stava, Justin Waller, Michael Johnson, Nate Madding; Sophomores Corey Holbrook, Aiden Buirley, Kevin Whitehead; Freshman Parker Rings. Many of these players spent the off-season training and playing on club teams to hone their skills. They are ready for the challenges of the 2020 season.

The Elks were scheduled to play a very aggressive schedule against many of the top ranked teams from the Dayton area and across Ohio. But due to the COVID-19 our schedule has changed. We will be playing a League schedule, and possibly a couple more matches for this short season. The regular season will wind down Senior Night on June 8th against Kettering Fairmont. Regional post-season play commences the week of June 5th at the top two seeded schools, culminating with regional finals on Saturday, June 13th at Centerville High School.

Great things await the boys' volleyball program this season as all the teams strive to uphold the program's strong tradition of excellence. The team looks forward to an exciting year as the players write their own chapter in the history of Elks Volleyball with their sights set on the opportunity to play for the state championship. Please come out and join the team for another season of thrilling play.

Centerville Jazz Band

The Centerville Jazz Band is Centerville High School's nationally recognized and award winning Marching Band. Their unique sound and visual design have been entertaining audiences and adjudicators year after year. With over 180 members, the Centerville Jazz Band is one of the largest student organizations on campus. This past summer the students began working on their 2019 competition show entitled, "Rhapsodic". The show features familiar and exciting music from George Gershwin's "Rhapsody in Blue", and Queen's "Bohemian Rhapsody", with several other themes mixed in.

In addition to performances at football games, the band travels locally and nationally in a variety of competitive circuits. Last year, the band was a 2nd place finalist at the Bands of America Oxford Regional, and was a 12th place finalist at the Bands of America Indianapolis Super Regional. At Bands of America Grand Nationals, the Centerville Jazz Band advanced to semi-finals competition finishing 26th among a field of over 100 bands. The Centerville Jazz Band was recently selected to perform nationally in front of an audience of MILLIONS in New York City in the 2020 Macy's Thanksgiving Day Parade!

CENTERVILLE BOYS LACROSSE

HEAD COACH

Troy Stehlin

We are looking forward to the 2020 season with seven seniors of which three have committed to play collegiate lacrosse. The season schedule is an ambitious one that hopes to prepare players for another state tournament run. Some highlights include playing the most-winningest program in MHSAA history, Brother Rice HS, and taking on perennial Ohio powerhouse, Upper Arlington HS. The program will focus our efforts on our leadership principles FAMILY and RELENTLESSNESS. We hope that anyone who attends our game will come away with the impression of a family-like teamwork and relentless attitude on the field.

Head Varsity Coach: Troy Stehlin

Coach Stehlin is entering his fifth season as Head Coach at Centerville High School. Prior to the head coach job at Centerville, Troy worked with Coach Tim McKay at Indian Hill High School as a JV head coach and Varsity Assistant. During his coaching career, Coach Stehlin has had opportunities to coach at the Naval Academy and numerous summer tournaments with the Cincy Royals amassing wins against Leading Edge (NJ), Casey Powell's World Lacrosse (FL), and PROMO (MO). Troy became the winningest varsity coach in Centerville lacrosse history during the 2019 season and achieved the most wins in a single season (18) in that same season. Troy is proud to have coached players that have gone on to play at Mount Union, Capital University, Roanoke, Denver University, University of Dubuque, Ohio State University, UMass-Lowell, Bellarmine, Ohio Wesleyan University, and Otterbein University. He works as an English teacher with Centerville City Schools. Coach Stehlin loves spending time with his wife Caroline, son Quinn, and dog Jake when he is away from lacrosse.

CENTERVILLE GIRLS LACROSSE

COACHES

(L-R): Emma Ferguson, Makenna Mahon, Regan Gardner, Kayla DeSanctis, Anna Roncagli, Joe Miller, Nick DeSanctis

Kayla DeSanctis, Head Coach

Coach DeSanctis enters her first year at the helm after serving as the head JV coach for the last two seasons. A three sport athlete in high school herself, coach DeSanctis is a chemistry teacher at Centerville High School and is excited for the season. With a focus on creating a positive culture through service and team building, she looks forward to see what this group can accomplish both on and off the field.

Emma Ferguson '10, Associate Head Coach- Offensive Coordinator

Coach Ferguson returns to the sideline for her third season with the Lady Elks. This season, Coach Ferguson will serve as the JV head coach and Varsity Offensive Coordinator. A former starting center on the Lady Elks lacrosse team, she brings a wealth of playing experience to the sidelines.

Nick DeSanctis, Assistant Coach- Defensive Coordinator

Coach DeSanctis will serve as the Varsity Defensive Coordinator and work with new goalies in his first year on the sidelines. His career includes working in an external relations role for the lacrosse programs at Roanoke College and Army West Point. A former defenseman in high school and the college club level, Nick is a Level 3 Boys Lacrosse official and a teacher at Little Miami High School.

Makenna Mahon '19, Assistant Coach

A former defender for the Lady Elks, Coach Mahon is entering her first year as an assistant coach and will be working with defenders. With a strong passion for the game, Coach Mahon is focused on developing players and giving back to the program. She is continuing her academic studies and is a student at Miami University pursuing a degree in nursing.

Regan Gardner '19, Assistant Coach

After finishing her career as an A Wing, Coach Gardner returns to the program as an assistant coach and will be working with wings. Coach Gardner was a JV captain in her time as a player and is excited to be staying around the game of lacrosse. Pursuing a degree in nursing, she is a student at Sinclair and plans to continue her education at Ohio University.

Anna Roncagli '19, Assistant Coach

A 2019 team captain for the Lady Elks, Coach Roncagli is joining the coaching ranks as an assistant for the 2020 season. She was a two year varsity starter at attack and will be working primarily with attackers this season. A freshman at Wright State University, Coach Roncagli is pursuing a degree in nursing.

Joe Miller, Assistant Coach

With a passion for helping, Coach Miller joins the Lady Elks staff this season. Coach Miller will be assisting in all areas of the game this spring and is a valued member of the staff.

Our Care Lives  Here

Sometimes, Expert Treatment Happens on a Court, Track, and Field

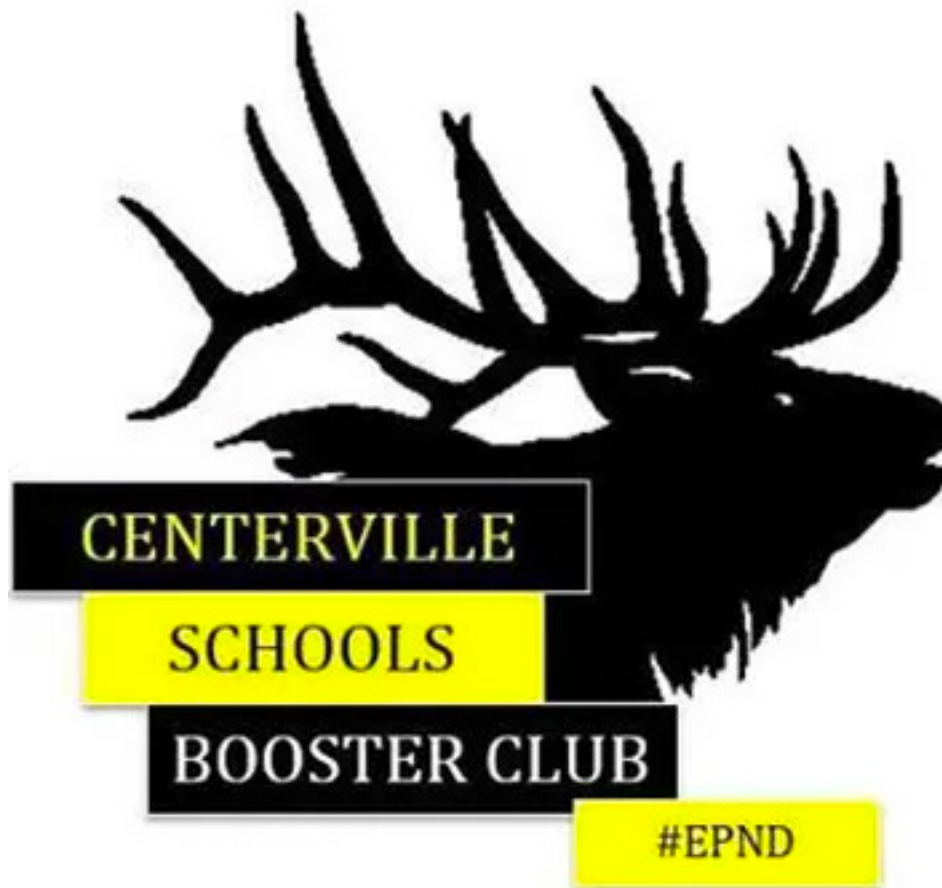

Schools are at the heart of a community. They are where our friends and families come together for academics, sports and other extra-curricular activities. A place where our youth build on their values, strengths and encouragement for a positive future. Premier Health is proud to partner with more than 100 schools and universities to build healthier communities.

We work hand in hand with educators to offer academic programs to stimulate student interest in healthcare careers. And, as the official sports medicine provider of nearly 40 high schools and colleges, Premier Health leads the region in caring for student athletes.

Supporting our schools is just one of the many ways we're giving back to our community. After all, our care doesn't just live inside the walls of our hospitals. Our care lives here.

CENTERVILLE ATHLETIC BOOSTERS

The Centerville Athletic Booster Club is a non-profit volunteer organization dedicated to supporting the athletic programs and athletes in the Centerville School System.

The Booster organization helps out where our tax dollars and school budgets fall short. In the past decade, we have funded over \$750,000 in additional athletic programming for the young people in our middle and high schools.

Last year, alone, we raised over \$216,000. All of which went directly to your students' programs and capital improvement projects.
