

## 2025 REGULAR SEASON CHAMPS:

The Visionworks club led tape to tape this year. They set a single season record by losing only three games (one by forfeit!). Consistent top-level defense and one of the best hitting teams (M & N led the league with a .596 OBP) – they were a force. Visionworks was second in runs scored but the real difference was their defense which gave up 98 runs less than the next closest team.

Headline: IMEC sweeps the championship series

Summary: Chilly morning and the Sun was a little bit of a problem at the plate. Captain Jack "the Methuen Mauler" with his 4 hits and glove carried his team to the championship. In the bottom of the 1st, Coleman scored 3 runs on 5 singles and big humpback liner from George Abood, but that rally was snuffed out when Jack Gilhooly turned a double play. In the top of the third inning, IMEC scored 3 runs to tie when Kip Ferguson and Mike Hastings singled and scored on a John Remillard double. In the top of the 6th, Jack Gilhooly lifted a long fly to right that outfielder looked like he might catch only to have it sail over his head for a triple to key a 3-run inning. Hits were at a premium and there were some great catches from Pierre Dionne, Alan Bernard and Mike Morgan. 4 members of Coleman's line-up went hitless, and that pretty much did Coleman in.

IMEC wins the nailbiter and the championship.
