What's the call ump? Gimpy Gus with the bad knee requires a pinch-runner from the plate. The bases are loaded with 1 out. Gimpy Gus hits a tailor-made bouncer to the 3rd baseman and stands in the batter's box to admire his work. The 3rd baseman fields the ball, touches 3rd and throws home. The catcher cannot see the ball because Gimpy Gus is standing in the way. What's the call?

The batter needs to get out of the way. This should be ruled an out for interference. Inning over.

Trivia Answer:

When I was with Houston at the end of my career, Bob Gibson walked up to me one day when I was running in the outfield. He asked me why I didn't quit and said what a shame it was that I was ruining a great career and just trying to hang on. Years later, I saw (Bob) Gibson trying to do the same thing – Robin Roberts
