What's the Call, Ump? Tom is on 3B with two outs and James is at the plate. He hits a slow roller down the 1<sup>st</sup> base line. He gets about halfway to 1<sup>st</sup> base, stops, starts to back-up, and is tagged by the 1<sup>st</sup> baseperson. Tom has crossed the plate before James steps back.

Tom's run does not count as James was called out for the 3<sup>rd</sup> out prior to him reaching 1<sup>st</sup> base.  
Thank you to Steve Molloy who supplies many of the tricky umpiring calls.
