5/29/26 – Allstar game

What's the call ump? Here's a Nashua Senior Softball rule. Batters are supposed to go to the orange base on plays to first base to avoid collisions. What happens on balls that are fielded by an outfielder where a play is made on the batter at first? Is he out for running to the white base?

If a play is going to be made at first base, the batter must be aware and run to the orange base to avoid collision.
