What's the call, Ump? Mickey the Dunce is the runner on 3rd with 1 out. The batter hits a sinking liner and Mickey on 3rd reasons the ball will never be caught and runs all the way home. The outfielder makes a circus catch and does a tumblersault. Mickey has run well beyond the commit line. Is he allowed to return to 3rd base, or is that already too late?

Too late. Once he crosses the commitment line he cannot retreat to 3rd.
