“We do not stop playing because we grow old.  
We grow old because we stop playing.”

You've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. – Joel Osteen

Peter Olson trivia : Name the 2 switch-hitters with over 3000 hits?

What's the call ump? Runner on 1<sup>st</sup> base and the 1<sup>st</sup> baseman is playing even with the bag. The batter hits a 1 hopper that is clearly past the 1<sup>st</sup> baseman and hits the runner running to 2<sup>nd</sup> and prevents the 2<sup>nd</sup> baseman moving to his left from fielding the ball. The defense is calling for an out on interference. The offense is claiming the ball is past the first baseman and its game on. What's the call?

This ends up being a judgment call. If the umpire feels the 2<sup>nd</sup> baseman had a chance of fielding the grounder, it should be ruled an out. Otherwise it should be game on.
