“We Thank You for Beloved Saints”*

Lord, thank You for beloved saints, the true and faithful ones who lived their lives with love and faith, with many a task well done. We thank you for the memory of those who still inspire. When we recall their lives of love, they stir our spirits’ fire. We hear their voices in our hearts. They speak their message clear; “My friends, rise up, be faithful now. Your day and time are here, your day and time are here.” We thank you for beloved saints and though their time on earth is gone, when we build on foundations of their faith; the legacy of love lives on. When we build on foundations of their faith, the legacy of love lives on. Let love live on!
