*“Salute to the Armed Forces”**

Over hill, over dale, we will hit the dusty trail, and those caissons go rolling along; in and out, hear them shout, counter marching all about, and those caissons go rolling along. For it’s high, high, hee, in the field artillery-count out your numbers

loud and strong: two, three, four, hut, two, three! And where-e’er you go, you will always know that those

caissons go rolling along. Anchors away, my boys! Anchors away! Farewell to college joys-we sail at break of day, day, day, day! Through our last night on shore, hail to the foam!

Until we meet once more, here’s wishing you a happy voyage home! We’re always ready for the call, we place our trust in

Thee; through howling gale and shot and shell to win our victory! Semper paratus is our guide, our pledge, our motto too!

We’re always ready, do or die! Aye! Coast Guard we fight for you! Off we go into the wild blue yonder, climbing high into the sun; here they come, zooming to meet our thunder, at ‘em boys, give her the gun! Down we dive, spouting our flame from

under, off with one terrible roar; We live in fame, or go down

in flame, for nothing can stop the U.S. Air Force! From the halls of Montezuma to the shores of Tripoli, we will fight our country’s battles in the air, on land and sea. First we fight for right and freedom, and to keep our honor clean; we are proud to claim the title of United States Marines. Army! Navy! Coast Guard! Air Force! The United States Marines!
