

WHAT DO WE DO?

BIBLE STUDY:

Sundays @ 9am

Wednesdays @ 6:30pm

We believe that regular bible study and fellowship are key to sustained spiritual growth. Sundays are all study while Wednesday nights always include a game to finish the night.

LOCK-INS:

Fri-Sat Sleepovers @ Church

These events happen sporadically throughout the year and are perfect opportunities to invite friends for a night of fellowship and fun. These typically cost money to cover food and entertainment, but the only requirement to attend is a completed permission slip.

CAMPS:

Centrifuge Summer Camp, Early July

Jenness Winter Retreat, Late February

There is nothing quite so special as spending a couple of days in the mountains surrounded by fellow Christians. These are our most expensive events each year, but can be the most impactful times of ministry.

OTHER STUFF:

We try to be conscious of how busy everyone is and try not to overload anyone's calendar, but we do like to have smaller events every now and then.

WHO ARE WE?

HOW CAN YOU SUPPORT?

STUDENT WORK SCHOLARSHIP:

Most of our big events cost money, and that can place a burden on families who want to attend. This program involves hiring youth to help them earn the money to attend youth activities. Jobs are submitted on small forms in the office and the youth director makes them available for students to complete.

STUDENT ACHIEVEMENT SCHOLARSHIP:

This program is designed to model a traditional college scholarship in that students will be required to complete a task such as writing and presenting their testimony in order to earn funds. These funds are in an account designated by the church for this purpose, and most group fundraising goes to feed this program, but donations are accepted.

GUEST TESTIMONY:

Our students always need to be reminded that they are not the only ones who've ever dealt with the situation they are going through. Guests coming in to give their testimony is one of the best ways for students to relate their own struggles to success with Christ.
