Extraordinary Stories & Opportunities for the Summer

A couple of weeks ago I began a new series of messages from the Gospel readings which are a part of the current lectionary texts. I am calling this series of messages *The Extraordinary Stories of Jesus*. Most of us enjoy reading or hearing good stories. The gospels are filled with wonderful stories from the life and ministry of Jesus. Some are stories he told and others are stories about his life. I hope you will plan to join us as we explore these stories each Sunday during the summer months. This week we will discover what Jesus had to say about what it means to be a Real Family. We will also share the Lord's Supper Sunday morning as a church family. Sunday evening we will have our regular church Business Meeting.

Summer is always a hectic time of the year. Many people have the opportunity to enjoy a few days of vacation. All of my family (kids and grandkids) are planning to get together in a few weeks, too. We are looking forward to having some time together. Families should plan times to get together. There are always a lot of special summer activities. Obviously, these activities also impact the ministry and attendance at our church activities. I want to encourage to not to forget how important your relationship with God is to your daily life. When you are not away, I hope you will plan to join us for Bible study and worship each Sunday. You may have the opportunity to join another congregation for worship while you are traveling. We need time with God each week.

We also need your support for the ministries of the church. Obviously, the church's ministry needs and expenses continue even during the summer months. Many church members remember to catch-up with their personal stewardship when they return from vacations and other activities. This is particularly important while the church is in an interim period and seeking a new pastor. Your support of the church and its ministries is very important at this time. I want to thank you for your faithful support of the ministries of your church.

In just a few weeks the church family will be launching this year's *You Are the Light* emphasis. Many church and community volunteers will be helping to share the love of Christ through practical hands-on projects June 25-29. I hope you will be in prayer for this special week, and I hope you will consider setting aside some time to become personally involved.

Two mission trips are also coming up soon. A group from our church will be going to Cuba, June 18-26 to serve with four congregations. Our youth mission trip to Houston is June 30-July 7. The *You Are the Light* emphasis and the upcoming mission trips provide opportunities for the church family to get involved in serving locally, nationally, and internationally as church members use their gifts to share Christ. Pray for the volunteers as they prepare for these ministries and trips. Pray for the places where they will be serving. Pray that God will bless their work, and pray that lives will be changed. My experience in many mission trips and projects has taught me that I am often blessed in ways I did not expect. God is good. I will look forward to seeing you on the Lord's Day as we gather for worship.

If you have not filled out the green volunteer form please do so. We need this information to make plans on the number of projects we can undertake and other important decisions.

This is our twelfth year for our project and the project requests are coming in, so we need your help. There are a lot of families who do need help with these minor repairs so if you or someone you know needs help we encourage you to please complete one of the yellow request forms.

Come and be blessed while helping people in need through this local mission project. Each year we have helped around 65 families. Come and let us show these families how much God loves them and that we do care.
