

Rev. Bob & Bonnie Parker

Seed Ministry

Gospel In A Barrel

Send a barrel to Ghana! We have been searching for ways to ship things to Ghana ever since we have been there. We have the opportunity through our Ghanaian friend, Kofi, to purchase and ship a 55 gallon barrel for only \$200. So now we are presenting to you this amazing opportunity. We are looking for folks like you and your family, small groups and churches that will volunteer to fill a barrel to ship to Ghana. Fill it with toys, backpacks, children's t-shirts and shoes and ship it for that amazingly low \$200 - no matter how much it weighs! Contact us if you are interested at bob@seedministry.com.

We have **Kroger** Gift Cards! **Kroger** will donate 4% to Seed Ministry for every \$5000 corporately spent. Email bonnie@seedministry.com for your card.

Praises

- God once more miraculously working a healing in Bob's life.
- The possibility of barrels of much needed items being shipped to Ghana.
- Our amazing staff in Tamale who are doing a phenomenal job continuing the ministry while we are here.

Prayer Requests

- Bob's surgery on Nov 19 to be without incident
- We will be able to ship 10 barrels on Dec 1 (or at least close to that date)
- Pray for the children that will be competing on Nov 17 at the 12th Annual Bible Club Rally. Pray that as they work hard to study and memorize questions and answers about Paul's writings, God will continue to draw them into a saving relationship with Him.

Gospel In A Barrel

My Son Jody and I are getting barrels ready to ship to Ghana

Meanwhile in Indiana...

As I write this, I am so humbled and thankful and blessed. For those of you who have not heard, three days before we were to fly back to Ghana I had a mild heart attack. Thankfully there was very little damage to my heart. The doctors inserted a stent in the 99% blocked artery and they will insert another one on Nov.19 to clear the 80% blocked artery. Now we are planning to return to Ghana following my Rehab.

⁵Those who sow with tears will reap with songs of joy. ⁶Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them. Psalm 126:5-6

One more example of how true these verses are.

Thomas giving out 45 Bibles that were requested by students in a non-Christian school in a rural village in the Northern Region of Ghana. Sowing the Seeds with Bibles reaps great joy in our hearts!

A very encouraging e-mail we received today from Amy & Terry R.

I am sitting here at Seed Ministry on your porch this morning enjoying a couple of minutes of quiet before heading out for our training today. We marvel at your facilities and your wonderful staff. The longer we are here the more we understand what it has taken you to reach this point. What a joy to come here. We are blessed by the "kingdom-ness" of your hearts and ministry that you embrace all who want to come and minister here in Ghana. We are enjoying breakfasts with the man from England that is here. Thank you!

Emmanuel With His Girls

(His son Timtooni is not pictured)

We try to tell you about the families that God has connected us with in the ministry in Ghana. One of those is Emmanuel. He has been with us about 5 years and has been such a versatile guy. He can drive anything anywhere at anytime. He was first hired as a driver but soon moved quickly into many more roles. The teams that have come to Ghana have seen how kind hearted in addition to translating, preaching, and teaching. I have trusted him with my own life many times. Emmanuel and his wife Cecilia have two girls, Mercy and Jessica and a son Timtoni. He and his family love the Lord and the people of Ghana. Keep him in your prayers; especially while we are in the states. He has a lot of responsibilities and we talk daily. Praise God for the communication being much better now than it has been in the past.

The Farming Project

The harvest is great this year in our new church area. We have reaped about 3 tons of corn and several bags of rice and peanuts. So a lot of people will have food this year that would not have if it wasn't for our farming project. Praise God for the blessing he has showered on his people.

Emmanuel Baba

Caretaker Emmanuel Baba stands on the back of the truck for a picture of the bountiful harvest. This man is being very faithful to meet in a school room with the church body every week to share the Word and teach them more about Jesus. Praise God a church in Missouri has decided to build a church building in Limo which we will do shortly after returning to Ghana.
