Back in Tamale!

We arrived in Accra in time to spend a couple of days with Paul & Cathy Nagy and Jonathan before they left. It was such a blessing to be able to see him once more before he went to live with his new family. Then it was on to Tamale where we got to welcome Emmanuel's new baby son Timtooni (which means prosper).

We have **Kroger** Gift Cards! **Kroger** will donate 4% to Seed Ministry for every \$5000 corporately spent. Email bonnie@seedministry.com for your card.

Praises

- It is good to be back and find everything in such good shape and we were able to step right back into the ministry. Though we do have to say we sure miss having the extra help from Toby, Joy, Seth and Caleb.
- We purchased the new bus and have been able to sell the one Benz bus. We might also have a buyer for the Land Cruiser but that is not confirmed yet.

Prayer Requests

- The Christian Academy Team will arrive on Tuesday. Pray for their safety in coming and their work while they are here.
- We had a very heavy rain today and many people lost their homes. There have been reports of some people being swept away by the floods though we haven't heard if there any fatalities.
- The Zone Rallies begin Saturday & Sunday. Pray for the children to have a great time and that the Word they have memorized will continue to indwell them all their lives.

Baptism at Seed Ministry

Acts 2:38 And Peter said to them, "Repent and be baptized every one of you in the name of Jesus Christ for the forgiveness of your sins, and you will receive the gift of the Holy Spirit."

The ESV Study Bible notes says this, "The willingness to submit to baptism is an outward expression of inward faith in Christ."

We are so blessed to see the Kingdom grow here in Ghana. There have been 104 baptisms at our site to date this year! God is working throughout the world.

Some trust in chariots
and some in horses, but
we trust in the name of
the Lord our God.
Psalm 20:7 (NIV)

Praise God we have purchased the BUS. Still need the Land Cruiser. This is a LOT for one year. If you can help with this need please put 'Vehicles' in the memo of your check and mail it to Seed Ministry, P.O. Box 84, Elizabeth, IN 47117 or donate on-line www.seedministry.com

Thank you so much ministry partners for praying and giving your time and money. We are enjoying our Bus. It makes a big difference in getting people in and out of the villages.

Thanks again to our Staff, our wonderful board, all of our family, friends, the Churches and everybody that helped and is still helping raise money for our vehicle needs and the ministry in Ghana.

Thank you also to our Area Leaders, all the Bible Club Leaders and all the Pastors who share the vision of Seed Ministry and work so faithfully to bring new believers into the Kingdom!

The Farming Project

Emmanuel Baba (the Church Leader), the driver and his helper are hard workers but always ready to pose for a photo moment!

The Farming project is going well. This is a new area so things moved some what slower. We managed to get 85 acres plowed this year in and around Limo. Now corn, rice, soybeans and peanuts will be planted.

We feel this will help the new Christians in the Limo area to be able to help themselves.

Please pray that their crops are good but even more that the Gospel will be spread along with these seeds and both will fall on fertile ground!

1 Cor 9:18 "the plowman should plow in hope and the thresher thresh in hope of sharing in the crop." (ESV)

We do hope to share in the crop to have more food to give to those not able to farm . But the harvest we really want is more and more to know Jesus Christ as Savior and Lord!

**Kpendua Church
Most of these are new believers who even came out in the rain to worship on Sunday morning.**

We are busy meeting with Churches and sharing the gospel as much as we can. Sometimes we feel like we know a little bit what some of the old circuit riders went through - 3 Churches in one Sunday. Oh wait a minute, they walked and rode horseback, at least we got to ride in a Bus.

We had the opportunity to visit Gua, Galenshegu and Kpendua last Sunday. We were very encouraged to see the believers meeting.

Their only complaint was that they just want **more teaching!** Thank you Jesus.

Pray God continues to strengthen them and the Bible Clubs in these villages.
