

Rev. Bob & Bonnie Parker

Over 2 billion lost in the world. That is a lot of reasons for us to rejoice in the Great Commission and I recently heard it paraphrased like this:

Love - Liberate - Lead - Launch

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. Matthew 28:19 (NIV)

Bible Club Leaders digging Ministry Center foundation

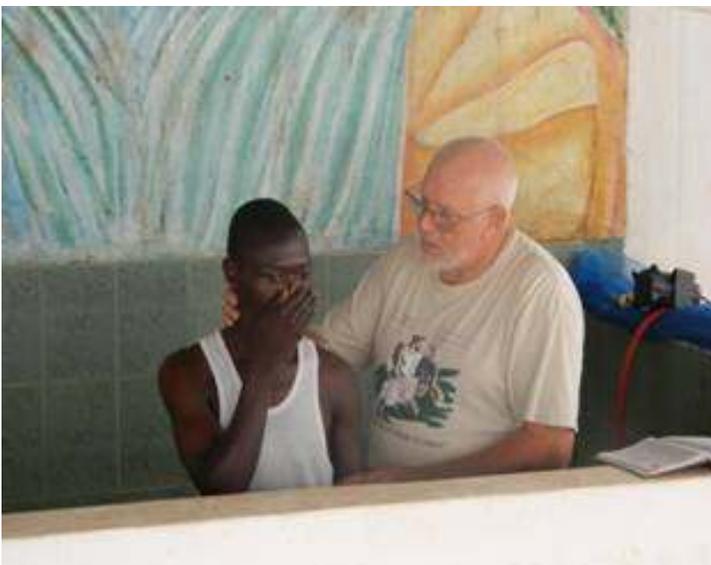

**Jirandogo Ministry Center**

**Daniel Adam**

Daniel is not actually on SM staff, but he has been dear to our hearts for a very long time. We first became acquainted with him when he was a child in a Bible Club. Then he began to come to the Boys Mission Camps, became a Bible Club Leader, translating for us and helping around the Tamale Ministry Center to earn school fees. He is now in his last year of Senior High School.

Bob had the privilege of baptizing him recently because he just felt that he now understands the Word so much more than he did at his first baptism. He continually brings us questions as he searches Scripture; he seasons every conversation with quotes from the Word and always gives you the Book, Chapter & Verse!

Daniel has been diagnosed with Hepatitis B. Please keep lifting him up in prayer.

**Bob and I celebrate 44 years of marriage Friday, May 3. Some of you will read that number thinking that is a long time and a few of you will read that number remembering back to the time when you were married only 44 years. We just can't understand how it passed so quickly!**

**But I was reading an article today about a couple who have been married 80 years. That really makes me look forward to the next 40!**

**And how could I not with the things God allows us to be a part of? We are so blessed to be able to minister together here in Ghana. What a joy it is to work side by side every day knowing that as long as the Lord carries we will keep on loving each other.**
