Seed Ministry

Gospel In A Barrel

The Barrel ministry continues to be a great ministry getting things to the children of Ghana. For only \$200 you can purchase a barrel to fill with children's toys and clothes and ship it to Ghana. Why not consider your church, youth group, small group or extended family donating a Barrel for the children? Contact Lee at 502-303-3331.

Praises

- Our staff as they work relentlessly to take care of the ministry needs and see that the Word goes out whether we are with them or not
- Area Leaders who have the vision of many children knowing JESUS
- Both the Jirandogo and Gushegu Ministry Centers are up and running.
- Teams that come to minister alongside us to share the Word with non-believers and encourage and strengthen brothers and sisters in the Lord.

Prayer Requests

- God will keep us safe as we travel and keep the staff in Ghana safe as they continue the work there.
- God will continue to grant us wisdom and discernment as we make decisions—sometimes they seem like such important decisions and others seem almost inconsequential, yet each one affects so many people.
- God will continue helping us build good relationships.
- The upcoming teams as they prepare to come..

I don't know why they have their hands raised but I do know they each are about to receive a gift from the barrels. What a praise to your generosity in giving these children gifts they would not have if not from you being a partner with Seed Ministry

What a beehive of activity there is around the compound today! Thomas A. and Jesse are painting the kitchen, Moses is servicing the air conditioners in the Guest House, Sadik and his crew are finishing up replacing the ceiling in the training hall and making repairs to the back verandah. The new cabinet is going in the Summer Hut. Ruth is cleaning the front office book shelves, Gladys and Ajua are busy moving things and going behind everyone cleaning up as they finish, Emmanuel is with the mechanic working on the tractor. And somehow Bob is making sure they have the tools they need and the jobs are getting done! I don't know how he does it all, but by the end of the day, it will all be completed! Praise God for him and the workers.

⁵Those who sow with tears will reap with songs of joy. ⁶Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them. Psalm 126:5-6

More examples of how true these verses are ...

Churches and Pastor's Houses

Had the opportunity to visit with Pastor Moses and his family in Limo as we traveled to Gushegu the other day. We were very pleased to see his house is now completed and they are so happy to be in it. We forgot to take a picture of the house so it will come later.

The real blessing comes from learning that this small church that began in 2011 by Toby preaching a Crusade in their community has now planted two more churches in surrounding communities!

Pastor Moses' house before completion.

JOYFUL SOWERS (School Ministry)

Visiting children in the classroom continues to be just one of the many aspects of Seed Ministry that we feel is very important. We try to maintain a monthly schedule but that severely limits us to the number of schools we can visit. Now we are trying to change from monthly to quarterly. That will allow us to go into more communities. The problem is... those we currently visit do not want to share. They want the Joyful Sowers to continue to come into their schools monthly. What a blessing when teachers and students are saying, "Come, we want to hear more." We need more volunteers!
