Seed Ministry

Dec 2018
Rev. Bob &
Bonnie Parker

All of 2018 we have asked you to 'React to Missions to Impact the World'. You have responded in remarkable ways! Look at some of the things your generosity this year has accomplished.

- ⇒ With 410 Bible Clubs, 820 Club Leaders are being mentored.
- ⇒ More than 13,000 children have heard and memorized the Word of God!
- ⇒ There are now 6 Church Leader Training Academies (CLTA). The CLTA takes Church Leaders through a two year course on the Bible, trains the students to be disciples who make disciples, trains them as pastors and conducts Christian family living classes.
- ⇒ More than 60 people came on teams to: preach God's Word, teach in CLTA classes, participate in village evangelism, distribute eyeglasses, train Bible Club Leaders, teach and just love on children! Nurses also shared Jesus as they taught on health and sanitation.
- ⇒ 5 church buildings were erected & 2 student rooms were added to the Gushegu center.
- ⇒ 3 wells were drilled. Sadly, one of those did not produce water but the driller is going to work with us and drill another one at a discounted price. That is a big praise!

As Partners with us in Seed Ministry, you have Prayed, Praised, Provided, Promoted and Participated and as you Reacted to Missions you have Impacted the World!

What's ahead in 2019?

SEE WHAT GOD'S GOING TO DO!!!

Another year of exciting things as we seek to follow where God is leading in Ghana! Every time we think Seed Ministry has grown to a good size and we will just minister in that area, God brings us more people asking for Bible Clubs and teaching. The beauty of the ministry is we are able to do that because in our existing areas, there are those who have been trained and mentored who continue the work in their areas!

Please help us start 2 NEW MINISTRY CENTERS in 2019!!

Only God can produce this much fruit!!!!

You might think this is a pretty cool light reflection on this picture but I prefer to see an angel looking on a winning young man who has memorized so much of the Bible!

I want to help Bob & Bonnie share Jesus with the Children in Ghana in 2019!
