Welcome to Baby
Emmanuel Timtooni Tampuli

Hi Gang, I remember the old song by Johnny Cash "Sunday Morning Coming Down". There is no down to Sundays in Tamale when you can worship with a village church that likes to sing and dance and praise in the early morning. Then, if that was not about as good as you think it gets, you see 31 believers Baptized that takes you to the top. Our God is so good and that cannot be said in ten thousand praises. Praise Him and continue to pray for a great revival in Tamale as Bonnie and I try to hold on to Him and follow His lead. Bob
