Seed Ministry

Gospel In A Barrel

The Barrel ministry continues to be a great ministry getting things to the children of Ghana. For only \$200 you can purchase a barrel to fill with children's toys and clothes and ship it to Ghana. Why not consider your church, youth group, small group or extended family donating a Barrel for the children?

We have **Kroger** Gift Cards! **Kroger** will donate 4% to Seed Ministry for every \$5000 corporately spent. Email bonnie@seedministry.com for your card.

Praises

- The Jirandogo Church Leaders Training Academy. These Leaders are so eager to learn.
- Our staff as they work relentlessly to take care of the ministry needs and see that the Word goes out whether we are with them or not
- Area Leaders who have the vision of many children knowing JESUS
- Teams that come to minister alongside us to share the Word with non-believers and encourage and strengthen brothers and sisters in the Lord.
- Each of the wells have water!

Prayer Requests

- God will keep us safe as we travel and keep the staff in Ghana safe as they continue the work there.
- God will continue helping us build good relationships.
- The upcoming teams as they prepare to come.
- Randy & Suzy as they finish their 6 weeks in Ghana.

JOYFUL SOWERS (School Ministry)

January Report from Thomas

Ten schools were visited at Bonnaayili, V.Kushibo, J, Dakpe-myili, J, Wulanyili, Tingoli, N.Tuunaayili, Nyarizee, Garizegu, N.Kpalsogu and W.Kukuo. Garizegu is the village we sent the team and they did not allow us into the school if you can remember. This time we were allowed to share the story.

Praise the Lord. The rest of the schools we have been to were good. Only foot balls they need and were asking if we can get them.

Church Leaders Training Academy (CLTA)

CLTA continues to be a blessing to us as much as to the Church Leaders. There are now 42 registered for a 2 year course. They are trying so hard to learn as much as they can. We are looking for people to come teach. Would YOU consider giving a week to feed into the Spiritual lives of a group of Church Leaders? You don't have to be a great scholar—just someone who loves the Lord and wants to share how God works in your own life.

The Team of Matthew Zebilia, Randy and Suzy:
Seed Ministry in Gushegu, Ghana

Warm smiles, listening ears, welcomes from men, women and children are what Matthew (area Bible Club leader), Emmanuel, Seed Ministry Coordinator, and Randy & Suzy (South Fork Church volunteers) see as they share Jesus' love and God's scripture. The road is dusty, traveling in dried up river beds but the bumpy roads and slow travel are well worth the wait. Many are grateful to hear the word! It is exciting to hear children reading God's word. Women and men are accepting Jesus as their Savior. People of all ages request prayer for the sick or afflicted.

Remember growing up and your grandparents taught you things you never thought you would use in the year 2014? Like how to cut up a guinea chicken, boil water to make it sanitary, sift baking powder and flour so your homemade pancake doesn't have the mumps, take a bath using 2 gallons of water (this includes hair washing as well), use a gas stove and have matches left at the end of the day... etc. If you haven't used those skills lately, come to Ghana and flashbacks of those wonderful days will come in handy. Google is great but grandma was better!!!

Seriously, Bob and Bonnie have a heart for all the clubs and by God's grace they may all be visited but it is no small task. There are 27 ACTIVE clubs in the Gushegu Area alone with the potential for 20 more. This past year they have seen this dream come alive but NOT without big effort on many peoples part. If it is God's will, active and inactive Bible Club villages will know we care and their scripture learning changes lives.

"Not by might nor by power, but by my spirit, says the Lord." Zechariah 4:6

Pumping Water!!!

God provides visions in such a variety of ways. Some folks from Texas have a vision of putting water in every village along the Salaga—Boagban Rd.! What an exciting thing that people won't have to walk miles to have drinking water! Praise the Lord!!!
