

Greetings from everyone. I am writing this on Thanksgiving morning. It is 4:00 AM and we are at the Gushegu Outpost. I was awakened by the Muslims call to prayer; it is very loud. The huge speakers on top of the mosque are all working well and people are going to pray.

There is so much deception in this world. But there are so many, many things to be thankful for. Our Jehovah God is so good to us we can only thank Him with our worship and our life.

Today I will pray for people that try so hard but are looking in all the wrong places for satisfaction for their Soul.

We have been saved by Him set apart by Him to share about Him because the whole world needs HIM.

Bob.

The Kpendua Children, pictured with Bob can hardly wait until the building is finished so they can go to church and Bible Club. There are so many people in this community and only a few Christians.

Above: Pastor James, his son John, Toby and Bob praying over and dedicating the new motor bike for God's work in the Kpendua area. We have 3 communities with Churches that have buildings and 4 other communities that we are trying to get Bible clubs in.

Above: Salaga Outpost leader Steven is receiving his motorbike, raincoat, boots, clothes and tools for evangelism. This is a new and exciting area. We have over 60 clubs in operation there reaching to the top of the Volta Lake .

Below; Mama Bonnie always has children following her everywhere she goes. The census report tell us that 45% of the total population of Ghana is under 15 years old. That gives us lots of children to love on and tell them that Jesus loves them to.

Emmanuel, Sule and Wahidu round up the prize goats given to the winners of the 2011 Regional Rally. They will be able to raise more and sell them for school fees and other things their family needs.
