September 2020

From the Desk of Les the Mess:

Here it is the beginning of September, in some ways 2020 seems to be flying by and in other ways, it seems like 2020 has been 4 years long. I am looking forward to this fall season! I love the cooler weather, football season, and getting back into the routine of church. This COVID thing I am so over! I love seeing and fellowshiping with you, guys.

We have so many things to get back to in our church. One, we will turn our attention to praying about a direction for our church concerning Deacons. We will take the month of September to pray. Before COVID, we were on our way to voting on whether we want to proceed with nominations. So, the direction for the prayer will need to be who, what, and when! As a church, we will be praying for unity among the brethren and clarity of direction.

Also, you need to mark this on your calendar, November 1st-November 4th, George "Marty" Brock and his sister, Marge, will be here in Revival. This is the revival postponed because of the shutdown back in March. They are excited to be here and looking forward to being with us. Marty is the Pastor of Olive FBC and continues to do Rodeo Revivals. He has been here at least twice before. Marge accompanies him, playing the piano and singing specials. It will be a great time.

I would like to ask the church to pray for and about Youth Lunches. It is a ministry of Tipton First to feed the students throughout the year once a month. It is a great time to have an impact for the kingdom of God and in the lives of young people. The challenge will be social distancing and COVID precautions. Transportation will be an issue. So, prayer is of the utmost necessity!

It has been great to see everyone and I can tell it means a lot to the well-being of everyone! Psalms 133:1 says, "Behold, how good and how blessed it is for brethren to dwell together in unity!" To hear the chatter and laughter does this preacher good!

History of SYATP

A small group of teenagers in Burleson, Texas, came together for a DiscipleNow weekend in early 1990. Little did they know that God was about to move in power. On that Saturday night, the students were broken and burdened for their friends. Compelled to pray, yet not knowing exactly what to do, they went to the school flagpoles and prayed for their friends, schools, and leaders. Those students had no idea how God was using them to birth a movement. Those teenagers, like others who were holding similar prayer meetings at their schools, placed a vision in the hearts of youth leaders across Texas—for students to pray on the same day. The name See You at the Pole™ came from an early brainstorming session and the vision was shared with 20,000 students in June 1990 at Reunion Arena in Dallas, Texas. At 7 a.m. on September 12, 1990, more than 45,000 teenagers met at school flagpoles in four different states to pray. A few months later, youth ministers from all over the country met at a national conference in Colorado. Many reported that their students had heard about SYATP and were equally burdened for their schools. It became clear that students across the country would be taking part. There was no stopping them! On September 11, 1991, at 7 a.m., an estimated one million students gathered at school flagpoles from Boston to Los Angeles. See You at the Pole™ has grown to God-sized proportions, spreading around the world. God used the obedience of a small group of teens to start an international movement of prayer among young people. In Australia, one youth group that went to several different schools met for SYATP in May, the start of their school year. Once again the word spread and now, students gather all over that nation. Today, more than two million students from all 50 states and more than 20 other countries participate in SYATP. Thousands of inspiring testimonies of how God has used students at See You at the Pole™ to impact lives affirm God's power to answer those who cry out to Him in humble dependence. Bible clubs, weekly prayer gatherings, and other on-campus ministries have been launched on campuses where students have stepped up and led out to pray. Join millions around the world in asking God to bring revival. Whether you stand by yourself or among hundreds, know that you are part of a vast, united student-led movement of prayer. Be a part of what God wants to do on your campus, in your city, and our world through your prayers. Be a part of See You at the Pole™!

I ♥ MY
CHURCH

Many Parts, One Body

Through the teaching, support, sacrifice, worship and commitment of the church, utterly ordinary people are enabled to do some rather extraordinary, even heroic acts, not on the basis of their own gifts and abilities, but rather by having a community capable of sustaining Christian virtue. The church enables us to be better people than we could have been if left to our own devices.
—Stanley Hauerwas and William Willimon, *Resident Aliens*

Alpha & Omega

God created this world,
everything that it holds.
And God still is creating
as each day unfolds.

What we once called the future,
we now call the past.

While the present is fleeting,
God stays — first and last!
—Peggy Ferrell

Remember
the
wonderful
works
he has done,

his miracles, and the
judgments he has uttered.

History Lesson

By Lynn Pinson
September

“DID YOU KNOW?” DID YOU KNOW?”

After Bro. Cal, Jean, Mike, and Ricky moved into the new church parsonage in 1974, the old house was eventually sold and moved to the Hicks Mountain area of Lake Lugert north of Altus. Clearing the area of the house, a garage, chicken coop, and several trees, provided the space for the construction of the new fellowship hall in the early 1980's. The rest of the area was turned into the parking lot.

QUESTION: What significant event occurred early in 2010 that brought the entire Tipton community together, including members of the Baptist church, Church of Christ, Methodist church, Assembly of God and Catholic?
