Thank You

I want to thank each of you who have been praying for me over the past year and a half. As you perhaps know, I have had chemo for bladder cancer, bladder removal surgery, pacemaker surgery and hernia surgery together with nine trips to the hospital for resultant complications during this time. However, thanks to all the prayer on my behalf, and God's grace and mercy, I'm now getting over these medical problems, and feeling very well. Thank you so much for your love and prayers, and the many cards I have received. With continuous love and appreciation,
 ~Stuart Carlton
