

# LEGACY

## CHRISTIAN ACADEMY

### COURSE-BY-COURSE INFORMATION

Teachers will provide students with a syllabus on the first day of class detailing specific course requirements. Please be prepared to purchase additional supplies the first week of school.

### CALCULATOR REQUIREMENT

Students need a TI-84\* beginning in Algebra 2. It is a good investment for the upper level math courses and the ACT/SAT. It may be used in Algebra 1, but a basic calculator is all that is required for Pre Algebra and Algebra 1.

***TI-Nspire may ONLY be used in College Algebra. It may not be used in Algebra 1 or 2.***

\*Do not purchase a TI-89 calculator as they are not allowed for the ACT/SAT or PSAT exams.

### HIGH SCHOOL SUPPLIES

- Notebook paper (wide ruled)
- Graph paper (geometry/chemistry/precalculus)
- Binders (1" or larger)
