

Nevadans for the Common Good Regional House Meeting Campaign – Spring 2021

You are invited to join neighbors from your community and throughout the Valley for NCG's Regional House Meetings Online. We will:

- Build relationships across different groups;
- Share the social and economic pressures facing you and the people you care about;
- Begin building a strategy to respond to the issues impacting our families and community.

Please feel free to attend one or all of the following gatherings. Register in advance and a link will be sent for the meeting.
