

FROM THE A.M. DESK

Philippians 2:4

Let each of you look not only to his own interests, but also to the interests of others.

Throughout the Bible we are commanded to love others through the love that God has given us through Jesus. We are commanded to love... love puts you in a place to put others needs above the needs of your own. Jesus being the example for us by meeting our need to have a sacrifice for our sins, took our sins upon Himself even though

He was the spotless Lamb of God. That price that He paid on the cross for us was the ultimate act of love and sacrifice.

How great would the world be if everyone followed that example! The biggest problem in the world is self, that's what got Adam and Eve in trouble and unless we look to God for the answers and outside of ourselves we can fall into the same trap. Pray for God to give you a love for those around you, even the ones that can be hard to love. Jesus did when He took all of our

nasty dirty sins and placed them on Himself to do away with them on the cross.

Speaking of sacrifice, we have some camps coming up. Boys and Girls camps and new day camps that need volunteers to help out. Showing the children God's love by giving a little time can have eternal results that can affect generations to come! Call the associational office to find out more info if you are interested.

In Christ,

Brother Eddie

Reports:

AM Report:

Bro. Eddie stated the Church Planting department of Baptist General Convention of Oklahoma would be bringing lunch and a presentation on the Hidden Harvest. PBA and Guymon area will be focused on a video to be used for the Edna McMillan State Offering. He reminded those in attendance of the PBA Facebook page, reminding us to contact him to post events or announcements.

Hispanic Report: the report was a part of the packet. The Crusade was a success with door to door witnessing throughout the communities of the Panhandles as well as into the town of Buffalo.

Gibson Baptist Camp:

Tracy acknowledged the Day Camp's were new and a needed expansion of the Camping program. He had met with the Girl's and Boy's Camp Program directors and they are working to provide another successful year of summer camps. The details for the continuing of archery and BB guy activities are being made, so that these two should be a part of this summer's camp program. A plan is being considered for the continuing of the water slide. Tracy's daughter is being recruited for the swimming pool lifeguard. She will be certified. Applications are being accepted for summer staff help. The camp will also have a Facebook page in the future. Plans are being considered for the new sign for the camp at the highway entrance.

BCM: no report
