A NOTE FROM THE BEAUTIFUL FEET TEAM LEADERS,

We understand that this has been a crazy and trying year for everyone. With COVID, churches not being able to meet, and deaths around the country, things seem bleak. But, even with all this going on, we believe that we serve a great and mighty God who is in control. We personally are looking forward to the Beautiful Feet trips that are quickly approaching. We know that those who have been involved in these trips in the past have been blessed by God and His presence there.

We believe that we are to move forward with the coming trips for this next year, knowing that He will continue to show up and bless in a mighty way. We will be monitoring COVID as we go along, staying in continuous contact with the leaders at THE FEET, and following the guidelines that they have set. If anyone is concerned about the virus and what we are doing to keep everyone safe, you can call David at 620-230-8690. He is willing to talk through what is going on with the trip and COVID. We know we serve a Sovereign God, and fear is not from Him. But we want everyone to be comfortable with dealing with COVID. We will provide masks and hand sanitizer to those who feel more comfortable using it.

The ministry of Beautiful Feet has continued to serve the homeless population of Fort Worth during this whole pandemic. They have procedures in place to make sure everyone stays safe and practices social distancing. Please be in prayerful consideration of serving alongside of us to help them continue to be "THE LIGHT" in a very dark world. Our prayer is that the love of Jesus spreads more rapidly than the spread of COVID. What a blessing it will be to share His love during this uncertain time. **HE IS IN CONTROL!**

Thank you,

David & Susan Touchton
