VOLUME 13, NUMBER 5

**Everyone who LOOKS to the Son and believes in Him will have eternal life. John 6:40**

## **Steve's Sentiments**

If you turn to the fifth book of the New Testament in your Bible, that book, which you probably know of as "Acts" likely has a fuller title of "The Acts of the Apostles." Dr. C. Peter Wagner, one of my professors at Fuller Theological Seminary, suggested that a more accurate name for that book would be "The Acts of the Holy Spirit." Acts 1:8 is a key verse to understanding the book of Acts: "But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the ends of the earth."

Pentecost Sunday occurs in May this year, always 50 days after Resurrection Sunday. ("Pente" means "five" and "cost" means "tens".) Some Christians think of it as an event for Pentecostals and Charismatics. Some Christians think of it

as the birthday of the church and celebrate with cake, candles and balloons. My professor would say that it commemorates a "Spiritual Explosion" that shook the world that day, and that the actions of the Holy Spirit are still

watching for a class starting mid-May using this book as a resource. I want to grow with you in practical ways that allow God to be God in our lives and in the life of this congregation.

God is showing me two twin truths: First, from our *gods at war* study, that the idol of *control* has been enthroned in my life – I have bought a lie that says I can keep lots of plates spinning and maintain control of it all. That's the idol I need to dethrone. Secondly, from Morris' book, control is exactly what the Holy Spirit has come to do! He is a friend (God Himself!) who wants to walk daily with

shaking the world today. Do Presbyterians talk about the Holy Spirit? Our Cumberland confession averages more than one reference to the Holy Spirit per page!

As we lead up to Pentecost this month, I would like to recommend a book for you by Robert Morris, pastor of Gateway Church: *The God I Never Knew; How real friendship with the Holy Spirit can change your life.* Be

me, give me direction, take control of my life. We can't have two hands on the helm. For me: remove the self-determination and listen more intently for the leading of the Holy Spirit.

Let's make May 2013 a milestone in our lives in which the ministries of Cumberland Church are seen as "the Acts of the Holy Spirit," not as the acts of people.

-Steve

### *Leaders to Meet, Form Ministry Plan*

What is God calling Cumberland Church to be and do in the future? We have a mission and vision, but how, when or where will we “seek, nurture and equip”? Or what steps will we take to “develop authentic relationships with God”? When a church's ministry plan is essentially “to continue to do what we have always done” there are at least three pitfalls: 1) guests and new members have no clear understanding of “what has always been done,” 2) there is no need for

leadership to earnestly seek God for direction, and 3) as the famous saying goes, “we continue to get what we have always gotten!”

Focusing

on a ministry plan is not exactly the same as a brainstorming session; we will seek God and discern *what* He wants us to do in the future and *how* He wants us to do it.

We will be gathering the current leadership (elders, deacons, ministry team leaders, staff) of this congregation at **10am on May 11** in the Estes

Center to begin the process of developing a ministry plan. It will include prayer, prayerful assessments of what we have been doing, and prayerful dreaming about what God wants us to do in the future. This meeting will occur through the lunch hour, but we will fast and pray during that time.

## AROUND CUMBERLAND

### WHAM!!

Women Helping  
Advance Missions

By Karen Caldwell

The women of Cumberland came together at the April 20 WHAM (Women Helping Advance Missions) meeting to explore mission projects. Starting out with a local emphasis was the preference of the group. Many opportunities were discussed, including the challenges of fostering children in our area.

You may remember when Joy wrote an Over the Coffee Cup piece (for our weekly enews) about an experience she and Steve had when they went to a caseworker's office to pick up children they planned to foster. The babies were in need of so many material things.....clean clothes, diapers, safe car seats, medicine. It would have made the transition so much smoother had these items been made available at the time the babies were taken to their new home.

The idea of providing a suitcase for each foster child that would be filled with much needed personal items for use in their new home was an opportunity that resonated with the group. Don't miss the next meeting when information from the various local foster agencies will be shared so that it can be determined which agency would be the best for the fruition of our mission project.

### Spring Fling Luncheon Sunday, May 5th, Noon

Stay after church on May 5th, and Let us feed you Sunday dinner at noon in Fellowship Hall at our Spring Fling Casserole Dinner with all the fixin's. The cost is \$10/adult, \$5/child, \$30/family. (Price even includes sales tax and tip!) Enter through the northeast door to Fellowship Hall.

### WHAM!! to Meet Again

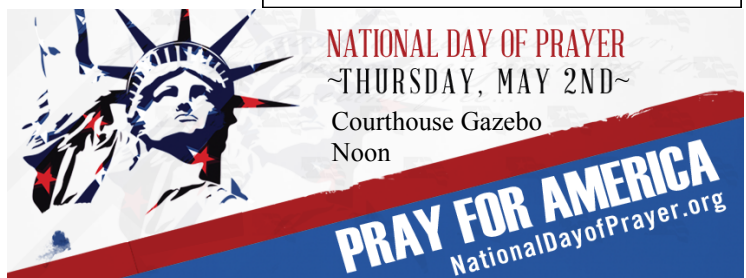

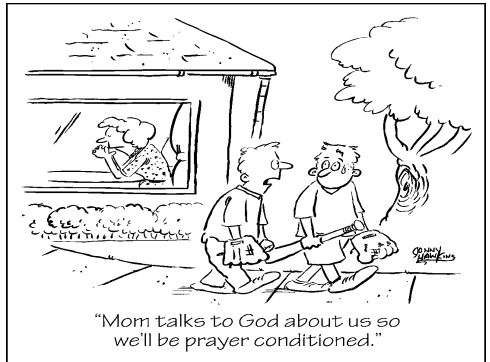

Women of all ages will meet together again on **May 18 at 11am in the Estes Center**. We will hear reports from various Lubbock foster agencies regarding what some of their critical needs are; we'll discuss the needs and decide what project(s) the Lord might be directing us into. See you there!

## **TREASURER'S TALK**

By Richard Trussell

### *Paychecks and Provisions*

"Everything comes from You, and we have given You only what comes from Your hand." (I Chronicles 29:14)

King David understood God is our provider. He understood each provision we receive comes from God and each gift we give back to Him first came from Him. If we receive a paycheck, the one who gives us the check is not our provider but our employer. God is our true provider. God can use an employer to help provide for some of our needs, but fortunately, God is much bigger than our employer and His provision is not limited to what a company pays.

When we truly see the many different ways God provides, we learn to joyfully give "thank offerings" to the Lord for His gracious and generous provisions to us. **Did you realize that if you earn more than \$5,000 annually you are richer than 75% of the world's more than 6 billion people!
