The Basement Flooring Project

is **COMPLETELY FUNDED!**

Thank you to everyone who has contributed to this much needed update to our kitchen and fellowship hall.

So...

If you would like to help with the decorating and design side of the project, please contact the office!

HAVE YOU HEARD?

We have a brand-new camera system for recording and LIVE streaming purposes. This allows for better audio control not only of what is recorded for regular purposes, but also sends mixer-quality sound to our Facebook LIVE stream on Sunday mornings. We have been working diligently with our techs to bring the best quality worship to our community! Check it out, 9:00 Sunday mornings at www.facebook.com/stjohnbeatrice/live/

For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another.

In light of the cancellation of the 2020 Nebraska Synod Assembly, Bishop Maas would like to take this opportunity to share more about what it means to be the Nebraska

Synod. Bishop Maas will be presenting, in three brief videos, available the final week of July, on how the synod is Growing Disciples, Walking Together, and Serving God's World.

As follow up to the videos, the Bishop and Synod Staff would also like to invite congregations to join them on **Wednesday, August 19 at 7:30pm** or **Sunday, August 23 at 7:30pm** live online to discuss What's Next. We encourage you to watch the videos, then attend one of the discussion sessions. It is in this time of physical distancing that it is more important than ever for us to connect and find ways to continue to be the church together. Video links and information available at:
