Use of Space Agreement

As a University chapel, the Episcopal Church Center seeks to serve the students and the entire University of Miami community. One way in which we serve students is by allowing them to use our chapel space for appropriate activities, including recitals, concerts, rehearsals, and lectures.

The Episcopal Church Center normally allows students and other members of the University of Miami community to use our facilities free of charge. However, we do wish to protect ourselves from expenses which can occur due to negligence or damages caused during the use of our facilities. For this reason, we do require the following of those using the chapel, patio, kitchen, library, or other Episcopal Church Center (ECC) facility:

1. A deposit in amount of \$100.00 is to be left with the Chapel Business Manager at the the time the Chapel is reserved and the 2 completed Space Agreements are submitted to the Business Office.
2. If admission is being charged for you event. The Vestry of the Chapel has asked that your group contribute 10% of your NET proceeds towards the Chapel to assist with the Student Ministry at the University. Initial here if Event is free of charge ___ or you are Charging \$___ for Admission _____.
3. If your musical ensemble does not include a currently enrolled student of the University of Miami, a recent alumni, or the event is a recital for students of currently enrolled University of Miami students, we request that a \$250.00 donation be made out to the Chapel of the Venerable Bede to assist with maintenance costs.
4. Those using the chapel agree to restore all moveable chairs and other moveable furniture to the positions they were originally found in. If the chapel is not restored to its original state, thereby requiring the ECC staff to put things back in order, then the \$100.00 will be forfeited and will be deposited by the ECC.
5. Those using the chapel agree to return the keys in a timely manner so that others can have the benefit of using the chapel space.
6. Those using the chapel and other ECC facilities agree to pay for the repair of any and all damages that occur during the time they use the chapel. This includes damages to the furnishings, the carpet, the organ, windows, walls, piano, baptismal font, kitchen appliances, or any other ECC property. If the cost of repair is \$100.00 or less, then the appropriate amount will be deducted from the deposit. If the cost exceeds \$100.00, the user of the chapel or other ECC facility agrees to reimburse the ECC for any additional costs.
7. To accommodate Frost School of Music students attempting to schedule degree recitals at the Bede, we cannot allow alumni or non-University students to reserve space in the chapel between the second week in October and the end of the fall semester, or between Spring Break and the end of the spring semester.
8.
