1505 SILO ROAD | BONHAM, TX. 75418 | 903-583-2210

Greetings,

It has been a great start to the year 2020! Already we have heard the Singing Women of Texas and gathered for the Forge Men's Conference. Both events were hosted by First Baptist Bonham. The youth/students were invited to a DiscipleNow weekend, in which many of our churches participated. The weekend was a great time of worshipping and listening to God. At least five student salvations were reported, and more than that made rededications. Many more continue to have questions and are journeying toward life in Christ. What a great team your association has that work to share the Good News with students, and thanks to Seventh and Main Baptist for hosting, and other churches who have provided meals for this event.

We also had our quarterly association meeting, hosted by Telephone Baptist. As I continue to visit with churches, and contact pastors, I am ever more aware of our need to pray for one another and encourage the churches that are Fannin Baptist Association.

One area of which I am most aware is the area of encouragement in missions. To that end, we are seriously looking at an associational mission trip to Honduras in the coming months. Our desire is to travel on a vision trip even before then to explore how we may best serve and develop ideas of possible mission activities and team needs. If you have a desire to participate in this developing mission, please contact me.

Perhaps your church is already planning missions for this summer or fall. If so, and you would like to have others from within our association join you, please let me know. Doing so would make it possible for us to join in mission as we share the Good News in our city, county, state, nation and the world.

I am grateful to serve our Lord in Fannin county as you allow me to work with the churches of this association. Your giving makes this possible. Thank you.

IN HIS GREAT LOVE,
Darrel
