This association wide DNOW event is being planned by your local youth ministers as they seek to provide relevant Christian growth for those teenagers in our churches. One aspect of the weekend will be the providing of a meal to any who would visit with us on Saturday, February 19. The meal will be served at 5:00 PM, but you are urged to come by and visit with the Texas Baptist Men about opportunities for ministry. Texas Baptist Men will provide leadership and direction as your students set up, prepare food, serve food, clean up and tear down a feeding unit that is often used in areas of disaster relief. This is your invitation to join us to see both your students in service/ministry, and to envision how your people can be involved in serving with Baptist Men.
