Mission Opportunity

In early March, before the COVID madness, two pastors and I went to New Mexico to look at an opportunity for missions as an association. With limitations due to the virus, and other factors, we have chosen not to embark on this adventure during 2020, but rather look forward to beginning a work in 2021. However we have a church willing to bring VBS to a local congregation in or near Fannin County during the last week of July. If you have interest in hosting a VBS at your facilities, please let me know ASAP. And we continue to look for opportunities to involve our local believers in the task of sharing Christ with those in our communities.

One other item: a possibility exists for a mission trip to Moscow, Russia, followed by a trip to Israel, this fall during the approximate dates of October 21 - November 5. The cost would be about 2500-3000 USD per person. Would any of you be interested?

IN HIS GREAT LOVE,
Darrel Hathcock
