Psalm 91
"I will praise you, O Lord, with all my heart!"

Speaker: Teri Ussery

Teri Dowell Ussery has a passion for empowering others to embrace the fullness of God's grace in the midst of life's journey. Teri has shared her heart at women's events and conferences for four decades. She is employed full-time as the age-level missional lifestyle strategist for WMU of Texas, where she helps churches connect with missions opportunities and provide missions discipleship for all ages. She also enjoys serving the local church as the worship pastor for First Baptist in Bonham, Tx.

Teri's experience as a young widow who remarried and raised five children (yours, mine and ours) inspired the founding of Family ReDesign, a ministry designed to help equip and encourage blending families. The Dowell-Ussery clan has now grown to include a son-and daughter-in-law as well as a new grandson.

Teri has authored five Bible studies and recorded a prayer CD. Her heart for sharing the Gospel has taken her across the country and around the world. Teri's engaging delivery and knowledge of Scripture allows her to bring the stories of triumph and transformation found in its pages to life, providing practical tools for today's journey.

MISSION TRIP OPPORTUNITY

As you and your church continue to plan for the summer, we welcome you to join us on mission. Working with Seventh and Main, we have dates for a mission trip to Del Rio, Texas, June 12-17. Opportunities for ministry include serving lunch to the border patrol, working with children in sports, serving with a coalition to help migrants as they come to the US, and a host of other projects. Ministry will be conducted in both the US, and in Mexico, however going to Mexico is optional. The cost will be about \$100 per person which covers lodging and meals. Travel is the responsibility of each church joining us on this mission. If you want more information, please do not hesitate to contact me.

We are also working on a mission trip to Hungary where we will work with Ukrainian refugees, Roma, and international students attending Debrecen University. We currently have a small group of around ten, and are looking forward to this time of ministry as we share Christ with hurting people. If you would like to join us on this, please give me a call, or send an email. One of the goals of this association is to encourage and provide avenues for missions and ministry. Perhaps your church is also planning a mission trip to another place, or a mission activity here in Fannin County.

Let us know so that we can work together in sharing Christ with those around us, and to the nations. Yes, time is passing quickly, and in that time things sometimes quickly change. Consider the change that has taken place in Ukraine. My heart breaks as I continue to hear from friends in Kyiv, a place we once called home. The difficulties that they face daily are things that I cannot imagine. Yet even in the midst of difficulties, and when things are not so difficult, we must continue to proclaim the One in Whom our hope lies. His name is Jesus, and He is our salvation. "For there is no other name under heaven that has been given among men by which we must be saved," Acts 4:12.

IN HIS GREAT LOVE,
Darrel
