

Lettering done by Dan Callan Signs, Stonington, IL

CBA EVANGELISTIC BLOCK TRAILER

CBA Block Trailer usage

1. Contact CBA office about borrowing the trailer and dates requested.
2. You will need a truck, SUV or van, with a hitch on it to transport the trailer.
3. Send the CBA a check for \$100 (made out to CBA) along with a copy of the drivers license and car insurance of the driver (to arrive one week before the dates you requested).
4. Contact Randy Johnson at Tabernacle (877-5653) the week of your requested date to arrange pick up. The perishable supplies and the sound system are not kept in the trailer, so they need to be loaded on before you pick it up. The key to the lock on the ball of the hitch is at Tabernacle, so you'll need to arrange to pick up key or the trailer during the week for use on the weekend.
5. The \$100 covers wear and tear on the trailer, and to restock the perishable supplies such as snowcone syrups, popcorn, etc.

Contents:
