

Meet Our Pulpit Suppliers

We're going to do a piece each month on one of our CBA Pulpit Suppliers so you can get to know them better. This month we're focusing on Dale Granda.

Brother Dale Granda has been part of the Association churches for 32 years now and is the husband of CBA Ministry Assistant Chris Granda. He teasingly tells people when they ask who he is that he's Chris' husband.

Dale was raised in South St. Louis, Missouri, and is one of nine children. He attended school in St. Louis and has held several sales jobs since he was 9 years old and he's still working.

He moved to Arnold, MO, and started attending his brother's church in Festus, MO, where he was saved at the age of 38. He also met his wife Chris at FBC, Festus. After they wed they moved to Decatur, IL, the following March so he could work for Marquis Beverage which he did for 30 years.

Dale attends Summit Ave. Baptist Church and has most of the 32 years he's lived in Illinois. He's been interim for Trinity, Lincoln, and is now filling in for Summit Ave. as they search for a pastor.

Dale & Chris have 7 children between them and 14 grandchildren. His hobbies include bird watching, Cardinal baseball, and studying God's Word.
