Thank you so much WCBC!

We would like to thank you for your generous support that you have shown Village of Hope. Thank you for stepping hand in hand into God's ministry with us. We could not have done this without the support of the body of Christ. Village of Hope has been growing bigger and stronger with your help, and for that we are grateful. Our prayer that every child that comes through our doors finds "Faith, Family, and Future." We are going into this month with gratitude. God has already provided so much for us here in Guatemala. Thank you so much for being a part of that.

We appreciate you,

Aleigha Block,

Village of Hope Staff, and Servants
