# FBC Loves California

## *From The Pastor's Desk*

I am excited to tell you about an outreach plan for our area that is beginning this month.

Beginning April 22, we will be emphasizing our "First Baptist Loves California" theme. My hope is that our church family can demonstrate the love of Christ to our community in a variety of ways. We will begin by using door-to-door surveys, in an effort to discover some of the most pressing issues in our area. Then, we will look to see how our church's

strengths can help meet some of those needs. I will be asking the congregation to share each of your hearts, concerning how you believe FBC can be a light in our community, so that we can set a vision for how we can best serve California and the surrounding region.

The surveys and vision casting are just the initial steps towards what I hope, is a lasting outreach to our community. We need everyone's help to truly show to our community

how much God loves them. What a blessing it is to have the opportunity to be the hands and feet of Christ! I ask all of you to begin to pray for our church, and especially those lost in our community, for God to move in a mighty way in all of our lives. May God be glorified at First Baptist, California!

Bro. Jeremy
