

Upcoming Youth Group events we will be going to Swan Place on 12-12-18 to Christmas Carol again this year. Time will be from 5:30 until 7:30 and we will also have a pizza party with the residents and decorated Christmas cookies. On 12-19-18 we will be watching the movie Polar Express and Youth Group that night will be from 5:30-8:00 for a combined youth group. I am also kicking around a couple of extracurricular activities in January, first would be Winter Jam, which is Friday January 25th and the cost is \$15.00 per person. The church would provide transportation to and from the event and this is a Christian Music concert that last approximately 4 hours and includes the following artists: Newsboys United, Danny Gokey, Mandisa, Rend Collective, Newsong, and a few other artists. If we can get 6 people interested in going we will do this. Please have anyone in the church interested in doing this reach out to me. I am also wondering about another trip over to Seven Oaks Winter Resort in Boone to do some Snow Tubing and possible skiing if there is any interest. The cost of this would be from \$20.00 to \$45.00 per person, again if we can get at least 6 people interested in doing this we will set a date up that would work with those who are interested.
