Paula Gray

Paula has been a Christian for over 45 years. She was a pastor's wife for 22 1/2 years until the death of her husband in 2008. Since that time, Paula has been engaged in music ministry, as a worship leader and as a motivational speaker to several groups of individuals. These groups include women's retreats, church groups, local and National groups. She lives in a small town in Missouri. She is a widow, a mother of 2 grown children, a boss and a friend but most of all she is a Child of King Jesus. Her heart's desire and life goal is to glorify Him.

Dawnita Phillips

Dawnita Phillips is married to Scott and lives on a pig farm in Drexel, MO. She is a mom of 3 learning to navigate the waters of 'empty nesting'. Growing up around the southwest area of the United States and graduating from Pleasant Hill, she is a Midwest girl at heart. With a Bachelors of Music Education and a Masters of Special/Elementary Education from UCM she taught in the public school before settling in at home. Travel and missions consume much of her time as well as her love for sharing Jesus with those around her.

Kay Davis

Kay has been married to her pastor-husband Terry for 44 years. They have served the Lord in churches in Iowa, Illinois, and have been back home in Missouri for the past twenty plus years. Kay has a Bachelor of Music Education degree from SBU, and has been involved in the music ministry in the churches God has called them to serve, as well as in teaching. She and Terry have four daughters, two of whom have changed their residence to their heavenly home, and three grandchildren. Kay loves to share Christ with others, and desires to be an encourager to everyone, but especially to Christian Women. Her heart's desire is to point people to Jesus and to someday hear, "Well done, thou good and faithful servant...." Matthew 25:23a.

Christina Caudle

Christina and her husband, Jon, currently live on a small farm in the middle of nowhere (Northeast Vernon County). Their zany, large family (they have 5 teenagers still at home) and a herd of Nubian goats with personalities larger than life mean their lives are full of joy and comical adventure. Christina is the founder of Bright Hope Soap Works, a company with a message of hope. Christina and her family served as missionaries in Central America for 3 1/2 years before returning stateside to assist Jon's parents. She is a licensed Master's level social worker who specializes in solution focused narrative therapy. Moreover, she is a survivor of childhood abuse and, in her adult life, of domestic violence.
