Church This Week

Noon church this week is on Thursday instead of Wednesday. Students do not need to wear chapel clothes on Wednesday. They do need to be in polo shirts on Thursday. Next week, after Easter break, we will resume chapel on Wednesdays and lunch will go back to normal time.

Looking ahead...

- **Religion/Art:** We will learn about Holy Week.
- **Math:** We will finish our unit on fractions and will be testing over it on Thursday.
- **Science:** We will continue our mini-unit on clouds and our unit on matter. The students will be creating their own clouds based on their observations and stories.
- **Social Studies:** We will continue our unit on long ago and today.
- **English/Language Arts:** We will be working on diagramming sentences and learning about different capitalization rules.

Also this week...

- **Reading:** Our story is "Red, White, and Blue: The Story of the American Flag." We will be comparing and contrasting the first American flag to our flag today and discussing why it's important. We will work on main idea and topic, searching for text evidence, and multiple-meaning words.
- **Spelling:** Spelling words are a little different this week. To go along with our story, twelve out of fifteen are abbreviations. Please be sure to practice with your child. They must have the correct capitals, spelling, and punctuation in order to be counted correct on Thursday's assessment. The list is in the back pocket of your child's purple folder.
- **Memory:** The heavens declare the glory of God, and the sky above proclaims His handiwork. Psalm 19:1
