"Praise the Lord with the harp; make music to him on the ten-stringed lyre. Sing to Him a new song, play skillfully, and shout for joy" Psalm 33:2,3

We would like to start the band program at Redeemer Lutheran school soon. In an effort to create interest in playing band instruments, we recently had a family of young people in who demonstrated several instruments. Then each 3rd through 6th grade student had an opportunity to try out some brass (trumpet/horn/trombone), woodwind (flute/clarinet/saxophone), and strings (violin/cello). The response was great.

Please talk to your child and see what his or her interest is. If they would like to start playing and would like to work with a brass instrument, I would be available for lessons, if they need a teacher. Woodwind and string instruments should actually have private lessons for at least two months before they get together in a band setting. I would be willing to help you find a teacher for those instruments.

You would be expected to assume the cost of lessons, instruments, and any required materials, such as sheet music. Instruments can be rented at Sound of Music (765-457-8821) or Paige's Music of Indianapolis (800-382-1099). New or pre-owned instruments may also be purchased.

Practice is essential for learning to play musical instruments. A set time of one half hour a day should be minimum practice time.

If you are interested, please contact me so I have an idea of how many I might have for band. This will also enable me, depending on what instruments we will have for a band, find appropriate music as well as set a time when we can actually begin.

If you have any questions, please do not hesitate to contact me.

Sincerely,

David Britton
