SPEAK UP!

*"But in your hearts set apart Christ as Lord.
ALWAYS be prepared to give an answer to everyone
who asks you for the reason for the hope that you
have..." 1 Peter 3:15*

Saturday, September 8 is our semi-annual rummage sale. If you have any gently used items you would like to donate, we are

accepting those donations now. You can bring them into the front lobby and our students will take them where they need to go.

Reminders

*Please make sure you tell anyone who is dropping your child off in the morning; they cannot park in the round about to bring them in. They must park in the lot.

*Also, the cones are out there to slow traffic and keep our children safe. Please do not try to drive around the cones, or move the cones so you can drive around them.

*Extended Care-You need to sign up to use extended care each week. You can do that on the school website. This needs to be completed by the Wednesday before. Please make this a priority. We are finding we are not staffed accordingly because we have so many that show up and are not registered. This includes in the morning, even if it is just for 15 minutes before school starts.

*Security-For the safety of everyone here in school, please remember when you come into the building, you need to ring the bell. It is located on the right hand side of the front door. Even if people are standing in the lobby, you need to ring the bell. When people let you in, we do not have any way of knowing who might be in the building. Likewise, if you are standing in the lobby and someone comes up to the door, they must ring the bell. Please do not just let them in.

*Background Checks-If you are planning to go on your child's field trip, or eat lunch with them one day, help in the classroom, anything that will put you into the school or with our children, you **MUST** have a completed and current background check. These are not done overnight. It takes about 72 hours to come back to us, longer if there are multiple addresses to check out. The background check application can be found on our school web site under the **SAFE HIRING** tab on the announcement side of the home page.

*After School: If you come to extended care after school, please note the green sign that is on the door. If extended care is outside, you will not be able to get into the building. There is no one manning the buzzer and front door when they are outside. You will need to see an extended care employee outside.

Coming Up

Our school book fair is coming up the week of September 24. We are looking for people to help with that. If you did not sign up through PTO, please contact them to let them know you would be willing to help. We always end the book fair week with our hog roast. That will be the evening of September 28. Mark this on your calendar. The hog roast is a free will donation which will benefit our school scholarship fund.

Tabs for Riley Hospital

We collect tabs for Riley Hospital Ronald McDonald House in Indianapolis throughout the school year. We take any aluminum tabs (drinks, soups, pet food, etc.). Collect and bring in your tabs. We have a large trash can to collect the tabs. Let's see if we can fill the trash can this year!
