

Redeemer Lutheran School Newsletter January 11, 2019

Re-enrollment:

Re-enrollment for our current families will begin on Monday, January 14. The new registration fee will be \$150 for the first child, \$100 for any additional children. **HOWEVER**, if you **re-enroll** by **April 1**, the registration fee will be **\$50** per child. This fee will secure your spot. It will need to be paid up-front and cannot be rolled into any scholarship requests. The registration fee will be billed and paid through Fast Direct.

Re-enrollment will be through Fast Direct. There are 3 steps to enroll and hold your child's spot. After you sign on your Fast Direct account, click on the view/edit parent information which is on the top of the page. **Step 1** - Make sure all the information is correct and make any changes as needed. **Also, make sure everything is filled out and answered** and click the save button. **Step 2** - After the parent information is updated, refer to the registration box, highlighted in red near the bottom of the home page. Mark yes to register your child for the 19-20 school year. After we receive your registration, you will be sent a bill for registration and extended care (if you signed up for it). **Step 3** - Pay your registration fee to hold your child's spot. Once these steps are complete, your child will officially be enrolled. Please note: registration fee (and extended care fee) will be billed and paid through Fast Direct. To make payments, click on the finance tab and click make a payment.

For students not returning next year, please click no in the registration box on Fast Direct home page.

Tuition:

The 2019-2020 tuition rates will be posted on line on our school website under the **Information** tab on Monday, January 14.

Other Fees:

In the past, we have assessed a separate fee for books, technology and then asked for more money to pay for additional things. This year, all of that will be placed under one area called **Consumable Fees**. These fees will include book fees, technology fee, field trip fees and the mandatory field trip shirt. The total for your consumable fees is \$500.00. This fee can be spread out along with tuition over ten months and applied to scholarship assistance.

Extended Care:

This past year, we tried something new with extended care. It was a great deal, but we found that it did not cover costs. So this next year, the registration fee will go up to cover those costs a little better. It is still a Great deal! One child will cost \$200, families will cost \$300. That will be the only fee assessed to you regarding extended care.

The Extended care fee must be paid in full by June 1 or you will not have a spot reserved. You can do that one of two ways:

1. Pay the full amount up front.
2. You will pay 25% of the total to secure your spot and then pay monthly until you have paid the entire total. This fee cannot be put into any scholarship assistance.
