Weekly News for September 10th-14th, 2018

What are we learning?

Reading/Writing: Our story is "The Strongest One." The students will be working on words with consonant digraphs, synonyms, and different types of sentences. They will continue to work on predictions and finding details in a text.

Science: We will continue learning about the tools and machines that scientists use in their work.

Religion: We will be studying the stories of the Golden Calf, the Snake on the Pole, and God's People Build a Memorial.

Math: We are working on double digit addition. Please practice math facts with your child at home!

Social Studies: We will talk about exploring Earth.

Helping Hands

This is an after school opportunity for your child to get some extra help with his/her homework. Helping Hands is offered on Tuesdays, Wednesdays, and Thursdays from 3:30-4:30 with a classroom teacher. Your child must be signed up in order to attend.

Here is the schedule for this week:

Tuesday: Mrs. Wagner

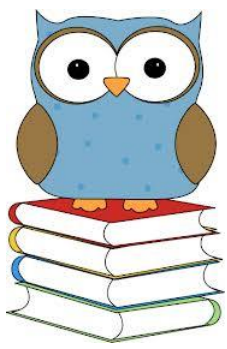

Wednesday: Mrs. Waggoner

Thursday: Miss Gross

Spelling Lists and Memory Sheets

It is very important for the students' spelling lists and memory sheets to stay in the back pocket of their homework folder. We use these several times throughout the week in different activities and for extra practice. Thank you for your help with this.
