Dear Church Family,

The world you and I live in is a world that is bent on dethroning God. Not too long ago I saw a young man on a news show who is the head of an organization whose goal is freedom from religion in America. He was protesting the use of the Bible to swear in the President of the United States. He said that most of the young people thirty six years old and under wanted nothing to do with religion. Now, that doesn't surprise me and I hope it doesn't surprise you.

Christianity is viewed as a religion by most people, but it is really a relationship. A relationship is something that you need to be committed to. There are a lot of people today who say they believe in Jesus, but they are not committed to their relationship with Jesus. You can say it this way their relationship to Jesus is not very important to them.

The writer of Hebrews was writing to Hebrew Christians who were endanger of walking away from Christ and reverting back to their old life. He said this to them and us in Hebrews 10:28-31 (NKJV), "Anyone who has rejected Moses' law dies without mercy on the testimony of two or three witnesses. Of how much worse punishment, do you suppose, will he be thought worthy who has trampled the Son of God underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace?" He went on to say in verse 31, "It is a fearful thing to fall into the hands of the living God."

Likewise, today there are those who profess the name of Jesus, but trampled the Son of God underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace. They are trying to live without Christ, when they belong to Christ. The writer will say in Hebrews 10:38 (NKJV), "Now the just shall live by faith; but if anyone draws back, my soul has no pleasure in him." I hope you are not among those who draw back.

In the Love of Christ,
Bro. Dudley
